

Plan Commission Has Stormy Session

There is an old adage that there are always more people that oppose things than there are those who favor them.

The Antioch Planning Commission was made graphically aware of this point Friday, as 60 irate citizens appeared at their regularly scheduled meeting to voice their opposition to the Planned Unit Development slated for the Antioch Country Club.

Opposition was vocal and centered around the same issues that have become the rallying points for disgruntled area residents: sanitation, school enrollment impact and a resulting rise in taxes.

Many of the citizens present had evidently attended a question and answer session, featuring development owner Thomas Santino, held earlier in the day as several made mention of statistics cited by Santino "this morning."

After the Planning Commission had listened patiently for upwards of an hour to unsolicited statements they moved to matters of their own. The group annexed into the village a small parcel of land, housing a barber shop, located slightly west of Rte 83 on North Avenue.

Cranston Byrd, representing the Lake County Regional Planning Commission, which has been retained by the Village as a consultant for current and future planning, heard discussion regarding the country club development, plus information on a proposed mobile home park and the desirability of strip annexation to enlarge the Village boundaries. Byrd said he would return to the next scheduled Planning Commission meeting with the county groups recommendations.

Sources close to the Village said the Planning Commission would make no decisions at their April 7th meeting, preferring to "mull things over." However, there is a special meeting tentatively scheduled for April 21st, at which time they may make public their proposals.

The hardest tumble a Man can take is over his own Bluff.

RUDY ECKERT: TRULY A

V.I.P.

Some men gain recognition, fame and honors based on their public deeds or accomplishments. Are hailed as community leaders for their civic utterances or remain in that cloudy frame of reference because of once found glory.

Many individuals, however never bask in the artificial light of public recognition, but modestly live every day performing those acts of unheralded goodness that earn them none of the before mentioned acclaim. except perhaps the respect and admiration of a discerning few. Such a man is Rudy Eckert.

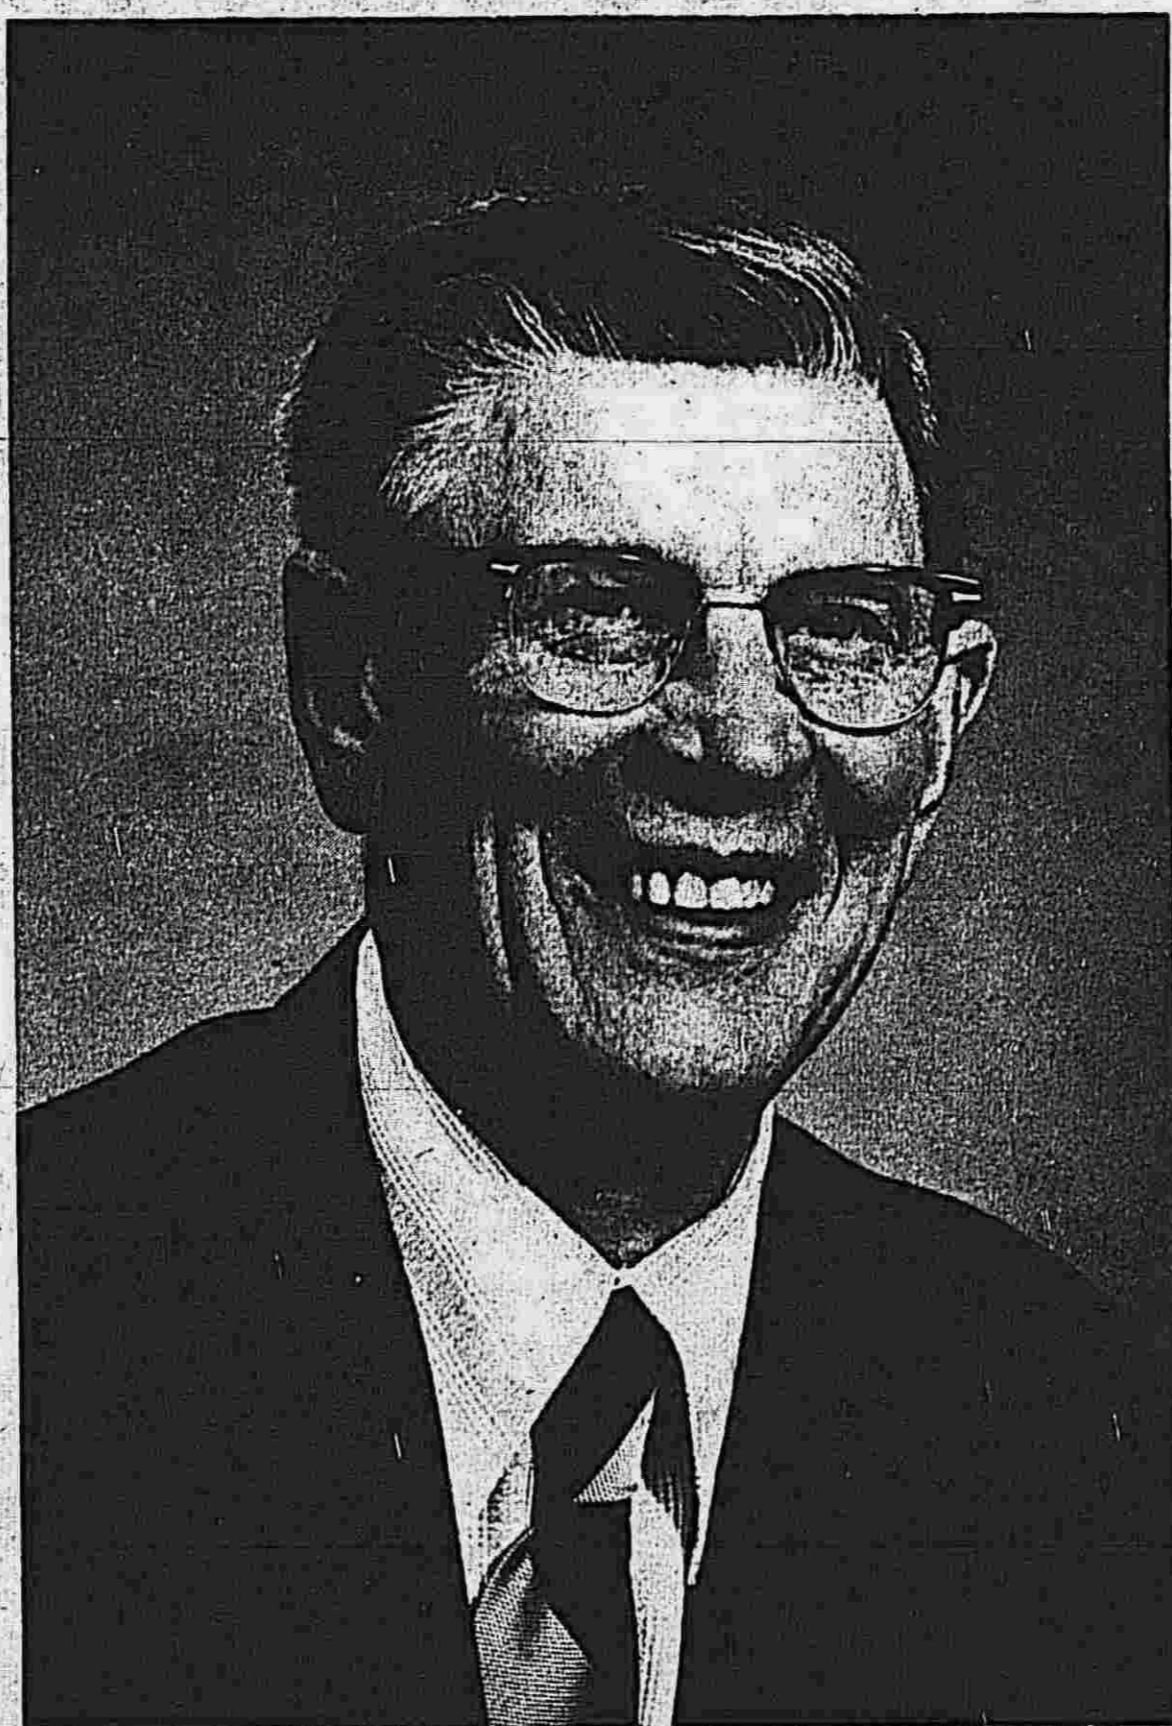

A quiet and soft spoken man he was, if anything, bemused at his selection as St. Peters V.I.P.

"I don't understand all this," he said. "Whatever I did was nothing out of the ordinary, everybody does it."

Herein lies one of the facts that makes him a such an important person to the many who know him. He earned the title not so much for his participation in countless charitable pursuits, fund raisers and church affiliated activities, as for the sort of man he is.

Born of solid farming parents in Burlington, Wisconsin, Eckert learned early the lessons of humility, tolerance and tact that make for less than a flamboyant personality, but often times a great, if unheralded man.

Never one to seek or strive for notoriety, he proved a difficult subject for an interview. "Oh certainly. I've been a member of

the Lions, Knights of Columbus, an usher," he impassively observed. "I was in on most of the drives, carnivals and fairs at St. Peters except for the last couple of years, but you don't do that for the recognition or credit. You do it 'cause you want to." Always the understatement from this

exceptional man: not from a conscious attempt at secrecy, but more so out of the necessity his modesty dictates.

Those who know him well point to his attitude rather than to any of his private acts of charity.

"I've never known Rudy to speak ill of any man," said John P. Miller of Antioch. "If he hasn't anything good to add about someone, he just sits and listens."

According to his daughter-in-law, Mrs. Paul Eckert, he is "just a great person."

The owner and operator of the Gambles Store on Main Street for 38 years, Eckert has now settled back to the moderate life style of a sort of poet-in-residence, no longer as extremely active as he had once been, he prefers to spend much of his time fishing, hunting and with his grandchildren. Perhaps instilling in them the many qualities that people admire and cherish in him.

And so a tribute ends. One that will perhaps embarrass, but is certainly deserving to him.

Residents Question Santino

Thomas Santino, developer of the controversial Antioch Country Club project, was the central figure of an informal question and answer session held Friday, March 10th at the Antioch Savings & Loan. The meeting was held in lieu of a County Zoning Board hearing that had been unexpectedly cancelled.

Approximately 35 to 40 people heard a presentation by Santino and an associate, Robert Grossman concerning the development and then listed a variety of complaints against the project scheduled for ground breaking in mid-spring.

The complaints were in essence an amalgamation of those lodged before against the project. They centered on the new student impact on the schools, increased tax burden to current residents and the effect the development will have on pollution of the Chain of Lakes.

Berning To Highlight Officials Meeting

The March meeting of the Lake County Township Officials Association will feature a presentation by 32nd District State Senator Karl Berning.

Entitled "Forecasts at Springfield", the subject matter will center around Berning's predictions for the coming congressional session.

Also on the agenda for the meeting, held at the Holiday Inn in Gurnee at 8 p.m. on the 16th of March, will be a social hour at which all candidates for the Senate and House from the 31st and 32nd Districts, plus candidates for the five County positions will be given an opportunity to speak.

In addition, the Association's nominating committee will make its selection of officers for the coming year.

FOR STATE REPRESENTATIVE

Successful government is based on a combination of compromise, experience and leadership. From a field of four candidates we have observed these qualities best in two men: one - wise in compromise and legislative know-how, the other a youthful idealist of proven administrative background at the National Level.

Therefore, we urge Republican voters to cast their ballot for William J. Murphy of Antioch and Donald E. Deuster of Sylvan Lake in the March 21st Primary.

The slate of Murphy and Deuster would provide a careful balance of experience and enthusiasm, while geographically representing the 32nd district from its northernmost to southern limits.

Murphy, 56, brings 16 years of active legislative experience to the voters. He is a past majority leader and has served on every committee in the House. He is considered independent and generally well-respected by his colleagues, both Republican and Democrat alike. While slightly conservative in his viewpoint, he has the experience and know-how needed to deal with the knotty problems of partisan politics; an important consideration to remember when significant programs are in need of a push.

Deuster, 43, is an elder in the Presbyterian Church and was administrative assistant to Rep. Robert McClory for seven years. Later he was appointed Congressional Relations Officer to the Department of Transportation. While at the Department, he was credited with shepherding the Rail Passenger Act of 1970 through the Democratic Congress. While in Washington he taught a graduate course at the Library of Congress on "Congressional Procedure and Legislature Process."

Both of these men could provide their constituents with an aggressive and effective legislator.

FOR GOVERNOR

As the Republican race for Governor is not quite what the term "race" would indicate, we have taken this opportunity to offer our thoughts on the two candidates seeking the Democratic Nomination.

In this race we have chosen a man who has lived up to the credo we, in our editorials, have fostered: Daniel Walker.

Walker, 49, has attacked the issues. While his opponent has seen fit to run a particularly innocuous campaign, Walker had boldly brought his campaign to the voter, using none of the convenient cop outs, but facing problems and offering his solutions.

Walker has good qualifications.

He was an administrative assistant to the late Governor Adlai Stevenson, served two years as President of the Chicago Crime Commission and a report known by his name on the "Causes and Prevention of Violence" still provides excellent insight into the disorders surrounding the 1968 Democratic Convention.

Also figuring in our decision is Walker's stance as staunchly independent of the "regular" party organization of Richard Daley.

We therefore urge Democrats to vote for Daniel Walker in the March 21st primary.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

I was very concerned to learn that the Village of Antioch is considering annexing the proposed Antioch Country Club development. Aside from the monetary interests, I wonder if the people of Antioch realize the consequences of encouraging such a development. Have you considered the services that you will have to provide to the 4,000 plus new residents? Road service, snow plowing, fire and police, rescue squad, medical services and many more. If approved, this development will be started as soon as possible. Can these services be expanded to cover this area as quickly or will you, the people of the village of Antioch suffer as your village services are spread too thin. Possibly the village residents will be asked to reach into your pocketbooks to supplement these services. Think of a few thousand extra people and cars shopping in Antioch on a Friday night! Where are they going to park? New parking lots, wider roads, they all will come out of your pocket.

We citizens have many pollutions to be concerned with, air pollution, water pollution, noise pollution and now we have one more - people pollution. Consider the consequences of this annexation and let your village board know your opposition. Call them or better yet, see them in person.

Sharon Lichter

It's time for citizens of Antioch Village, Antioch Township and Lake Villa to get involved and take action!

It is appalling that a developer can come into a community as Antioch and Lake Villa and develop a 249 acre area with dwellings to accommodate a projected population of 4,000 to 5,000 inhabitants and expect the taxpayers to support it!

With a student influx of approximately 450 in the Emmons Grade School district alone, it leaves little doubt that ultimately consolidation with the Antioch Grade School will follow. Thus, leaving the burden of educating these children with the Antioch Village and Township taxpayers. Lake Villa suffers the same fate as a portion of this development lies in Lake Villa Township as well as one of the development's sewage treatment plants.

Citizens and adjacent land owners can and do have a voice in this matter and should attend Village Board meetings and write local officials voicing their concern. Over 1,000 signatures have been received on petitions objecting to this matter and it appears that at last people are anxious to "GET INVOLVED"! This is a nice community. Let's keep it that way.

What is your opinion? Your Village Board, Planning Commission, Zoning Board should be anxious to hear from YOU - the people whom they serve.

Mrs. John Steitz, Jr.

ANTIOCH COUNTRY CLUB CONTROVERSY

Since attending two meetings Friday, in Antioch and Lake Villa on the Antioch Country Club development, it's apparent the people of these two communities haven't the slightest indication on what is about to be thrust upon them. (Fox Lake people are just now finding out about the development already started at the Fox Lake Golf Course.)

So little has been said and no meetings have been planned so the men of the community can attend. We think it's our right and duty to know just what this development is all about and urge each and every one of you to make it your business to seek out the plans and information.

1500 family dwellings are to be built on 250 acres, 26 unit apartments and cluster homes. These cluster homes in essence are really garden apartments. Seven homes under one roof on one acre of land. By having the houses structured in clusters, it means cramming in as many people as space will allow. 4000 plus people and only six one half acre plots set aside for childrens play areas.

This is supposed to be low cost housing and the people are expected to keep up an 18 and 9 hole golf course. Unreal! There will be a plaza and motel. Rte 59 and Grass Lake Road will be lined with apartments. Of course this could not take place without their own sewage treatment plant. We see no reason why the smell from this plant wouldn't be just like all the other ones now in existence, unbearable to live near. Thousands of gallons of treated water will pour into Petite Lake Channel every day. This treated water is the cause of alge for alge feeds on it.

The developers explain what a beautiful area they will offer the people who will buy there. A marina is also planned. What the developers failed to do was to include the surrounding community in their plans. We who are residents here cannot even use the lake as it is, and they are going to offer this bit of pollution as a prize for living in these apartment.

Grass Lake and Rte 59 will be one hell of a corner. It's bad news now.

All of the above don't even

The proposed Antioch Country Club Housing Development is proving to be a controversial matter in our community.

Will it improve our community, or will it cause problems?

With some 4,000 new people scheduled for this community in the near future -- and with another new development at the other end of Grass Lake Road at the Fox Lake Hills Country Club -- our roads will be very much overcrowded. . . and more money will have to be spent in the future to widen and improve the highways to Fox Lake and Antioch.

The summer residents surging into the area in June, July and August, put parking spaces in town at a premium. What will a new community of 4,000 do to Antioch?

This property is close to channels entering the chain. Will thousands of additional boats on our lakes help the condition of our waters and the enjoyment of same??

Our schools are overcrowded now, and in debt.

begin to touch on problems that will arise because of the density of this project. Roads, schools, hospitals, doctors, police and fire protection and rising crime are existing problems for our community right now. The town of Antioch will not gain from such a venture. Although money talks, we the people certainly have enough money already invested in this area that we should have some right as to how our community should grow.

The city and county officials have been elected for the sole purpose of being the voice of the people. That is what U.S. government is all about. Even though we shouldn't have to beg we are now begging that you look hard and long at what we are asking for. Growth, yes. People, yes. Homes, real homes on acreage, yes. Residents that are happy living here and will continue to do so to make this an even better community, yes.

Mr. Grossman and Mr. Santino told us the zoning does not have to be changed, that was not a problem and they were ready to go. This is not the truth, the property is not zoned for apartments, townhouses, cluster homes or anything close to them. Maybe Mr. Santino knows something we don't? Holiday Inn and Lakehurst weren't designed for us country bumpkins, for there are 95 of these developments planned for Lake County. These are master salesmen who will make their fortune and move out. Hard to grasp? You bet.

The meeting at the Village Hall Friday night was quite an indication on how the people feel. So many showed up to protest to the zoning board that the door could barely be opened. Let's stand united, we are not the dummies we've been made out to be. Let's not allow city dwellings in a country setting. Even people with low incomes will appreciate that, we think they deserve consideration along with the rest of us.

Mr. & Mrs. Patrick Stagg
Lake Villa, Illinois

With more students being added to the school population -- will this improve our school situation?

With a new community of 4,000 people, can Antioch or Waukegan supply a necessary permanent policing force?

No one objects to someone buying land in the area, and having a house built to order - but do we want a developer to come in and beg people from other areas to rush to our community to buy homes?

Gradual development of a community is normal and proper - but sudden development can cause chaos to a community.

The majority of the people in the area surrounding the proposed housing project are not in favor of this "sudden huge development". . . but we have little to say in the matter.

We hope that much thought will be given to having "too many, too quickly", added to our area, and that the Antioch Country Club Development will not be a reality at this time.

Francis L. Reeder

Mini-Display At Library

Furniture comes in all shapes, styles and sizes. Some more functional than others, while some put a premium on elegance.

This information comes to most readers as less than earthshaking news. It is, however, justified in that the Antioch Township Library is currently holding a furniture display of special interest.

Yet, before you make tracks to rest your size 12's on an antique Chippendale Couch, a work of caution. The furniture now at the library is housed in a three by five foot glass case. If this explanation has cooled your heels for the trek to the book bin, reconsider!

This small case contains one of the finest examples of miniature furniture outside of Coleen Moore's antique high-rise, enshrined in Chicago's Museum of Science and Industry.

The furniture, made by a local artist more than a little gun-shy of publicity, required hundreds of man-hours to create. Each is very distinctive in its use of wood, covering and attention to detail.

It takes only a casual glance to discover the painstaking care that was needed to provide the dramatic effect. Each is so well

done that one has to retain his perspective to recall that the divan would prove a tight squeeze, indeed.

The furniture is not merely false fronts or skeletons, but is exceptionally authentic. Drawers open and close; tiny hinges make doors more than a showpiece.

Indeed, one piece, an antique bureau desk, is of such unusual quality it seems haunting. (Note photo below.)

This treasure features several operable drawers,

pigeon hole compartments; seemingly hungry for correspondence and a hinged writing surface, complete with pull out supports.

The atmosphere of the display is immeasurably enhanced by the use of accompanying decorations. In particular, a miniature metronome which sits atop the piano.

The display is an indeterminate loan from its creator and should prove more than an interesting diversion.

Referendum Precincts Told

In order that persons desiring to vote in the upcoming March 25th High School Referendum are informed on the proper polling place designated to them, the following polling places are listed.

Voting hours are from 12 noon to 7:00 p.m. at Antioch Community High School

Building located in the village for VOTING PRECINCT

NUMBER 1.

Lake Villa Grade School on Grand Ave. in the Village of Lake Villa will be the polling place for VOTING PRECINCT NUMBER 2.

The VOTING PRECINCT NUMBER 3 Polling place is the B. J. Hooper School on Sand Lake Road and Beck Road located in the Village of Lindenhurst.

Registered 18 year olds may

vote in this election if all qualifications are in order.

HOUSE PASSES MCCLORY JURY SELECTION MEASURE

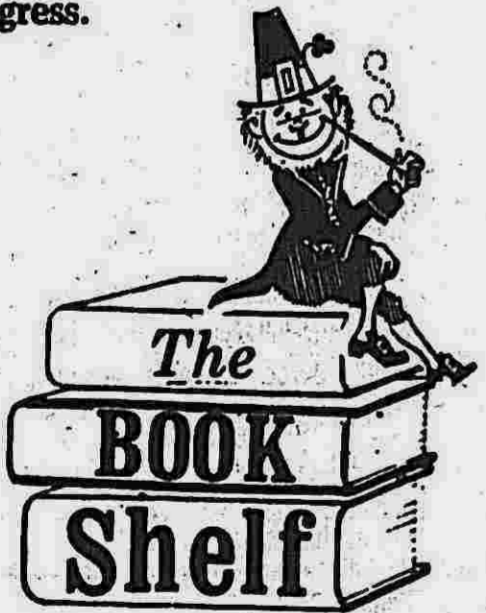

The U. S. House of Representatives gave overwhelming approval Monday to a measure sponsored by U. S. Congressman Robert McClory (R-12th Dist.) to eliminate discrimination in selection of juries in Federal courts.

The McClory bill (H.R. 2589) requires Federal jury qualification forms to include information regarding "race and occupation."

The measure amends the 1968 Jury Selection Act aimed at ending discrimination in selecting Federal court juries. Supported by a systems analysis (computerized) study performed as a research project at American University in Washington, the Illinois Congressman asserted that if only 15% of the jury forms are silent on the subject of race, there is virtually no opportunity to establish race discrimination at the time of trial.

Backed by the Department of Justice, the Civil Rights Commission, and the Judicial Conference, the McClory Bill passed the U. S. House by a vote of 319 - 27.

The McClory measure now goes to the Senate where favorable action is expected during the current session of Congress.

Police And Merchants Declare War On Shoplifters

According to police officials, one little known facet of their work is their dealings with shoplifters.

Shoplifters come in all sizes, shapes and age groups. They come from all racial groups and bewildering from not only the poor, but also the rich. While a shoplifter may be caught stealing a 49 cent article, chances are they either have the necessary \$25. bond or are able to get it within ten to fifteen minutes.

Especially unwholesome is

the situation regarding juveniles. In the last two weeks alone, six juveniles have been apprehended after stealing merchandise. And this figure only indicates the number caught, not all those who have successfully carried out their misdirected intentions. Many of these juveniles think they are "home free." However, the damage has already been done as they may pick up this unwholesome trait later in life. Juveniles should learn early in

life that you never actually get "something for nothing."

Antioch Police Chief Jack Davis noted that local merchants have been extremely helpful in trying to combat the wave of juvenile thefts.

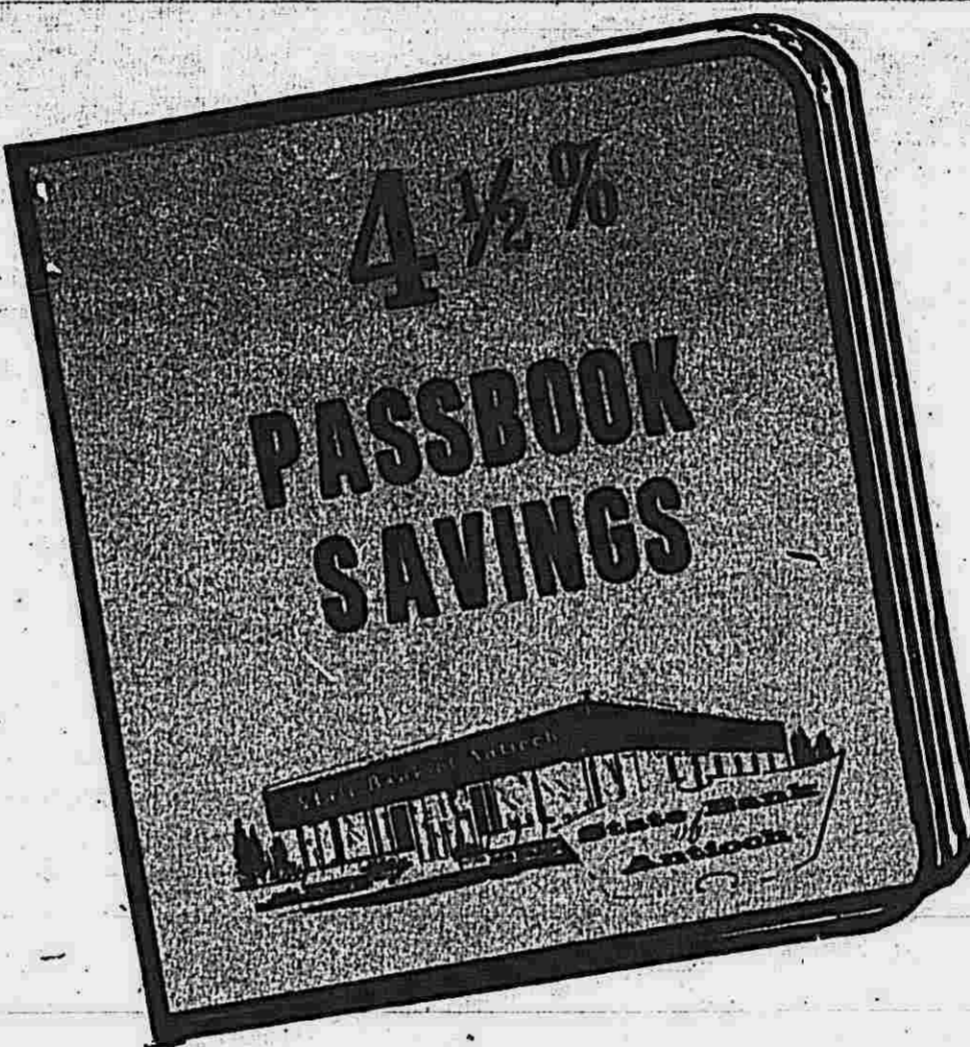

"It's very inconvenient for an owner to spend two or three hours at, and going to and from court," he said. However, if they just dismiss the charges the youngster hasn't actually learned anything. We hope that taking them to court will keep

them from stealing in the future."

Davis noted further that 25 shoplifters had been caught at the Ben Franklin alone, since the first of the year.

While prosecution may seem a stiff road for juveniles it does provide a deterrent to youth thefts and one of the only courses open to stop this senseless activity.

Remember When?

Remember when? We don't, but maybe some of you do. It is Antioch or the people from Antioch. For the next few weeks we will publish a photo from a time long past in hopes for some it might spark a fond memory.

If you should happen to know when and where, let us know! We would be very much interested. Also if any of you have a very interesting "remember when" photo of Antioch and would like to share a memory with others, we will try to print it for you.

Today's

Grove School To Benefit From Antioch Mental Health Cotillion

The Grove School, an educational center for the Multiply handicapped child, proposes to build a Residential and Rehabilitation Center, at its present campus, 27 acres of beautiful wooded property, designed for the severely handicapped child who needs residential training. It will also be a home for the multiply handicapped adult who can live out his life happily and productively.

Ever since the Grove School was founded in 1958, it has been evident that the severely handicapped child would require a home as well as a school to assure their continued training and

well-being. There is now in their files case histories of sixty children who will need this carefully planned center. The plans for this home have been made to fit the needs of these children carefully and therapeutically. The building is designed to shelter and protect the patient and create a stimulating atmosphere.

The center will be built in five phases over a period of ten years at a cost of approximately \$3,500,000.

Anyone caring to make a gift to the school for the building fund, send check to Mr. Paul W. Kaiser, 9 North County Street, Waukegan, Illinois, make checks payable to the Grove School Parents Trust Fund. Mr. Grainger has also agreed to recognize gifts of services, donations of materials and discounts on building supplies as matching funds to his grant. Please call the Grove School at 234-5540 for further information.

The Grove School for handicapped children in Lake Forest is in the midst of a multi-million dollar drive to develop the school's Residential and Rehabilitation Center.

Many service organizations from the area have assisted in this fund drive. Grove School's building fund will be the recipient from a benefit to be

Annie Mae

Friday, March 17th, all the Irish will be out celebrating... and a Happy St. Patrick's Day to you...

The Fashion show this Thursday evening at the Antioch Methodist Church promises a touch of spring fashions... even tho March started out like a Lion, the Lamb should be along soon.

On Sunday, March 19, from 2 p.m. til 4 p.m. the Antioch High School is inviting the public to attend the open house visitation to commemorate the completion of the new addition and the remodeling of the existing school plant.

GET WELL WISHES to BILL WILTON who recently underwent surgery to his back... also to FLORENCE THOMAS who is recuperating from surgery to her legs. Both are at Victory Memorial Hospital. Florence is the mother of FLORENCE HEISELMANN, owner of Flo's Beauty Shop... Also hear that dog walking is out for HELEN WEGNER of Garys Drive. Helen slipped on the ice while walking the dog and ended up with a broken ankle. It was quite an ordeal for her.

The Lions Club Ladies night held last Saturday evening, was well attended. Gifts for the ladies were beautiful plates made by PICKARD CHINA of Antioch. The ladies were all lovely and enjoyed dancing with their beaux. The man who must have had the MOST fun was EV OFTEDAHL, hear tell he kissed all the ladies present, just about...

Happy birthday to DONNA HAASE and DARLA LaFLAMME on the 16th and KATY WAITE on the 17th. To JEANNE REED on the 20th and GRACE JYRCH and DAN HALEY on the 22nd.

A birthday kiss goes to SANDY CUNNINGHAM who is 5 years old today the 15th. Also belated happy birthday to DAVE BROOK who was 12 on the 4th of March.

Have you seen the snowmobile movies with a fast look at Jack? on a boat???

The news will be out soon that one of our local churches will be playing "that game". Watch the paper for more info.

Hear Ev Strang's car got a little dented fender - again - not her fault - Men!!

Here's true loyalty for you... two LOYAL BEAR FANS went to McHenry last week to see the Bears play basketball. Here tell it has to be something pretty important for them to miss a ball game.

Have you ladies reserved your April edition of the "Cosmopolitan" magazine? Looks like "Playboy" has competition via Bert Reynolds!!!!

Think green Begora, Annie Mae

GROVE SCHOOL BENEFITS

Cont. from page 6

and Friends of the school under the direction of Mr. Paul W. Kaiser, Sr., Waukegan, Coordinator of the Building Program; and Mrs. Charles C. Searles, Wilmette, and Mr. Frank Frable, Sr., Capital Fund Committee; and Mrs. Howard B. Wright, Mr. Clyde Durst, and Dr. Morris E. Fine, Parent Fund Committee, have raised approximately half (\$80,000) of the necessary funds to match the grant and they optimistically expect to go over the top before May 31, 1972.

VIP Dinner Dance March 25

A gala evening is being planned for all who attend the 4th Annual VIP Dinner Dance, at which Rudy Eckert will be honored for his outstanding role in the community and church.

The dinner dance will be held at the Social Center of St. Peter's School on Saturday evening, March 25. The bill of fare will begin with cocktails at 6 P.M. A roast round of beef dinner with all the trimmings will be served from 7 P.M. to 9 P.M. with dancing to begin thereafter. The "Scotsmen" have been booked for a fine evening of dancing.

During the evening, a short testimonial program honoring Mr. Eckert will take place.

Tickets are \$6 each, with all proceeds to benefit St. Peter's School. Admission will be by ticket only, and no tickets will be sold at the door. The committee asks you to purchase tickets as soon as possible. They may be purchased at the State Bank, First National Bank, Antioch Savings and Loan and the church rectory. Deadline will be March 15.

This will be the first opportunity for everyone to enjoy a social evening with our new Pastor, Father Francis Johnson, and at the same time honor Mr. Eckert.

By using volunteer committee workers for preparation of the meal, decorations, etc., we can maximize the warmth and friendliness we hope to project at this affair.

Co-chairmen, Mike Haley and John Doetsch have appointed the following committees, who have been hard at work for the past two months. They are: Ticket Sales, Pete Zeien; Food, Kathryn Wells; Decorations, Hank Apostol, Bar, Pete Houlihan and Publicity, Shirley Gutowski.

by: Gigi Spittle

I am sure everyone knows about the tax referendum coming up on March 25th at ACHS. It is a request to increase the Education Fund rate from \$.92 to \$1.31. I interviewed kids from ACHS and got many opinions on the following question:

WHAT DO YOU THINK ABOUT THE TAX REFERENDUM?

REED ANO is all for it. He mentioned that if anyone is unable to get to Antioch Community High School to vote, there is a special committee that will hire a temporary baby sitter for anyone who needs one. There is also a transportation committee that will provide transportation to and from school, if needed. For information, call the High School. REED realizes a lot of people (especially older) are on set salaries. But he said a lot of people just don't care!

VIC McGUIRE mentioned, "A lot of the vote depends on the merchants in town and the parents. It will mostly be the elderly people voting."

THEATA ARMSTRONG emphasized, "Most of the parents think it is just a threat, but the school WILL cut the programs!"

GLEN AMUNDSEN replied, "If it doesn't pass, the kids that will be coming to Antioch Community High School in the future won't have the same opportunities I have now."

ANN VAUGHAN stated, "The voters think we are just wasting our money, but if they could only understand that their own grandchildren will miss out on sports and extra-curricular activities, maybe they would change their minds on it."

I talked to a pool of secretaries from ACHS, and

heard some varied comments: "When they take all the free things away, what are the kids going to do at home, these kids will end up on the streets." "Most of the workmen want the best for their children, but they don't want to spend their money." "It will probably amount to an extra \$40.00 a year. You will spend that anyway. Would you rather give up a new dress or your child's happiness?" "It's a cheap babysitter at half the price." "Anywhere other than Antioch, people are paying higher taxes. They are paying higher taxes in Wisconsin, and their schools aren't near as good."

I seemed to receive a different reaction when I talked to MR. ROSING of Beach Grove Road, Antioch, when he exclaimed, "I am very much against it. I am paying too damn much for taxes now. When I went to school, they didn't have anything like they have there now. I didn't sit in plush seats. Teachers had a lounge with us, not separate. I have no children, but I have got to pay for everyone else's kids! Give them the old reading, riting and rithmetic and they can get along like I did. These guys at the school have a huge salary and live like kings!"

MRS. DENNIS BESAW of Ackerman Road, Antioch, said "I think it is terrible that different subjects might be dropped, like languages and gym, in order to meet the budget. What keeps these kids interested in going to school is these extra curricular activities. They are going to have a hard time with the kids. I hate to see anybody's taxes go up, especially mine, but they need the money."

MR. DONALD MASON answered, "It's dead already. I would like to see it go through but this is a retirement area so taxes to the people would hurt them."

Out of all the people that read the Antioch News, I was disappointed to receive only four responses to my column last week. Only four people wanted to see the movie on drugs reshown. I would like to thank these four people for being concerned about a problem that is everyone's concern.

Peace till next week.

Gigi

Garden Club Plans Outing

The Antioch Garden Club plans to take a trip to the Chicago World Flower Show on Monday, March 20.

The bus leaves the Antioch Savings & Loan lot at 10 a.m. Anyone interested in going

along please contact Mrs. Victor Nelson at 395-3377.

The Regular meeting will be held on Monday, March 27th at the Antioch Savings & Loan for the election of officers.

Feast And Fashion At Methodist Church

Springtime is the time for a new warm weather wardrobe for the fair sex and there is no better chance to see a large display of spirit lifting fashions than at the Feast and Fashion Deluxe Dessert Buffet and Style Show held this Thursday, March 16 at 7:30 P.M. in Wesley Hall at the United Methodist Church in Antioch.

The latest styles will be shown by Olson's of Grayslake and modeled by Thelma Anderson, Vicki Wilton, Mabel Lou Weber, Jeannine Andrews, Jan Burdick, Fern Watson, Leona Petersen, and Nancy Glover.

All the members of Wesley Evening Circle are making their favorite—deluxe desserts to

delight the sweet tooth of all. The hall will be decorated with spring time center pieces, and it promises to be a festive event.

Tickets are on sale by all circle members or call Mrs. William Paschke, 395-4428, or Mrs. Leslie Sorensen, 395-0897, for reservations. Bring a friend, form an entire party—come one and all. Seating is limited and tickets will be sold at the door only if available.

MRS. VIRGINIA M. SUNDIN EARNS TWO AWARDS AT ESO

Mrs. Virginia M. Sundin, Route 4, Antioch, earned two cash awards for beneficial suggestions she made at the Navy Electronics Supply Office, Great Lakes, Ill. Mrs. Sundin is a supply clerk in the Financial Control Division of ESO.

She combined two old ESO forms into one new, improved form and recommended overprinting repetitive type information on frequently used contract forms.

The regular meeting and Guest Day of Antioch Woman's Club was held on March 6th. A short business meeting was held. New members welcomed into the club were: Mrs. Russell Holtz, Mrs. Richard Dyer and Mrs. John Mihovilovich. The group, led by Mrs. Margaret Snider, sang several songs. Mrs. William Brook asked for volunteers to drive for the Cancer Society. State Representative William Murphy explained "Home Rule" to the members and urged everyone to remember to vote on March 21.

Mrs. Betty Mentone presented the program "The Inner You" with Mrs. Lucille Kazmark. This was a talk on personality analysis—chiefly by body type. There are 3 types of people recognizable at about

FRIENDSHIP TOTES NEEDED FOR MENTALLY ILL

A comb and brush, tooth paste, tooth brush, soap and deodorant—these are some of the basic grooming items used by most persons to begin the day feeling fresh and confident and to stay feeling that way. Such personal grooming articles are important to psychological, as well as for physical health reasons.

The majority of mental patients enter state hospitals under emergency conditions. Upon admission they are given a Friendship Tote filled with many needed grooming items. The totes are colorful, cloth, draw string bags sewn by volunteers in their homes and clubrooms throughout metropolitan Chicago. Filler items are donated either by the person who has sewn the bag or by public contributions to the Friendship Tote Program, which is conducted by the Mental Health Association of Greater Chicago.

Patterns for sewing totes, a list of filler items, and information on direct service are available from the Mental Health Association of Greater Chicago, 407 South Dearborn Street, Chicago, Ill. 60605 - Call: 922-0703

The Mental Health Association of Greater Chicago gets an extra boost for its Friendship Totes program from (left) Barbara Britton, star of stage, movies and television, who is currently appearing as the lead in "Forty Carats" at the Pheasant Run Playhouse in St. Charles. Miss Britton, whose husband is a psychiatrist, is well informed on the problems of the mentally ill and willingly accepted to give a hand to WBBM-TV personality, Lee Phillip, honorary chairman of the Friendship Totes program.

Woman's Club Hears Mrs. Lucille Kazmark

age 18: 1 - Ectomorph - Mental, 2 - Mezomorph - motor, 3 - Endomorph - body structure. It is possible to be a combination of 2 types.

The Ectomorph is fine-boned, thin-skinned and very sensitive. They exhaust easily and are revitalized more by food than sleep. These people, if not college educated usually become secretaries or directors of detailed work. If college trained they could be journalists or work in music or the arts.

The Mezomorph is inclined to be mechanical. If trained, probably they would be in the field of engineering. This person likes nature, is independent and likes to work by himself. He does not like to take orders. Women are rarely

mezomorphs.

The endomorph has a round face and rotund body. This type enjoys a sense of well-being. He can always see the good in other. This type is good in personnel, real estate or marketing. The size of a person's head is unimportant. It's how he uses it. A fine forehead and upper ear indicates an interest in the welfare of others. With a low forehead, the person is apt to act instinctively.

The eye tells how you approach work. The long eye shows an intense worker while the adrenal or deep-set eye indicates a well organized worker. The mouth is most important. It indicates the way a person uses his energy. The more relaxed the mouth, the

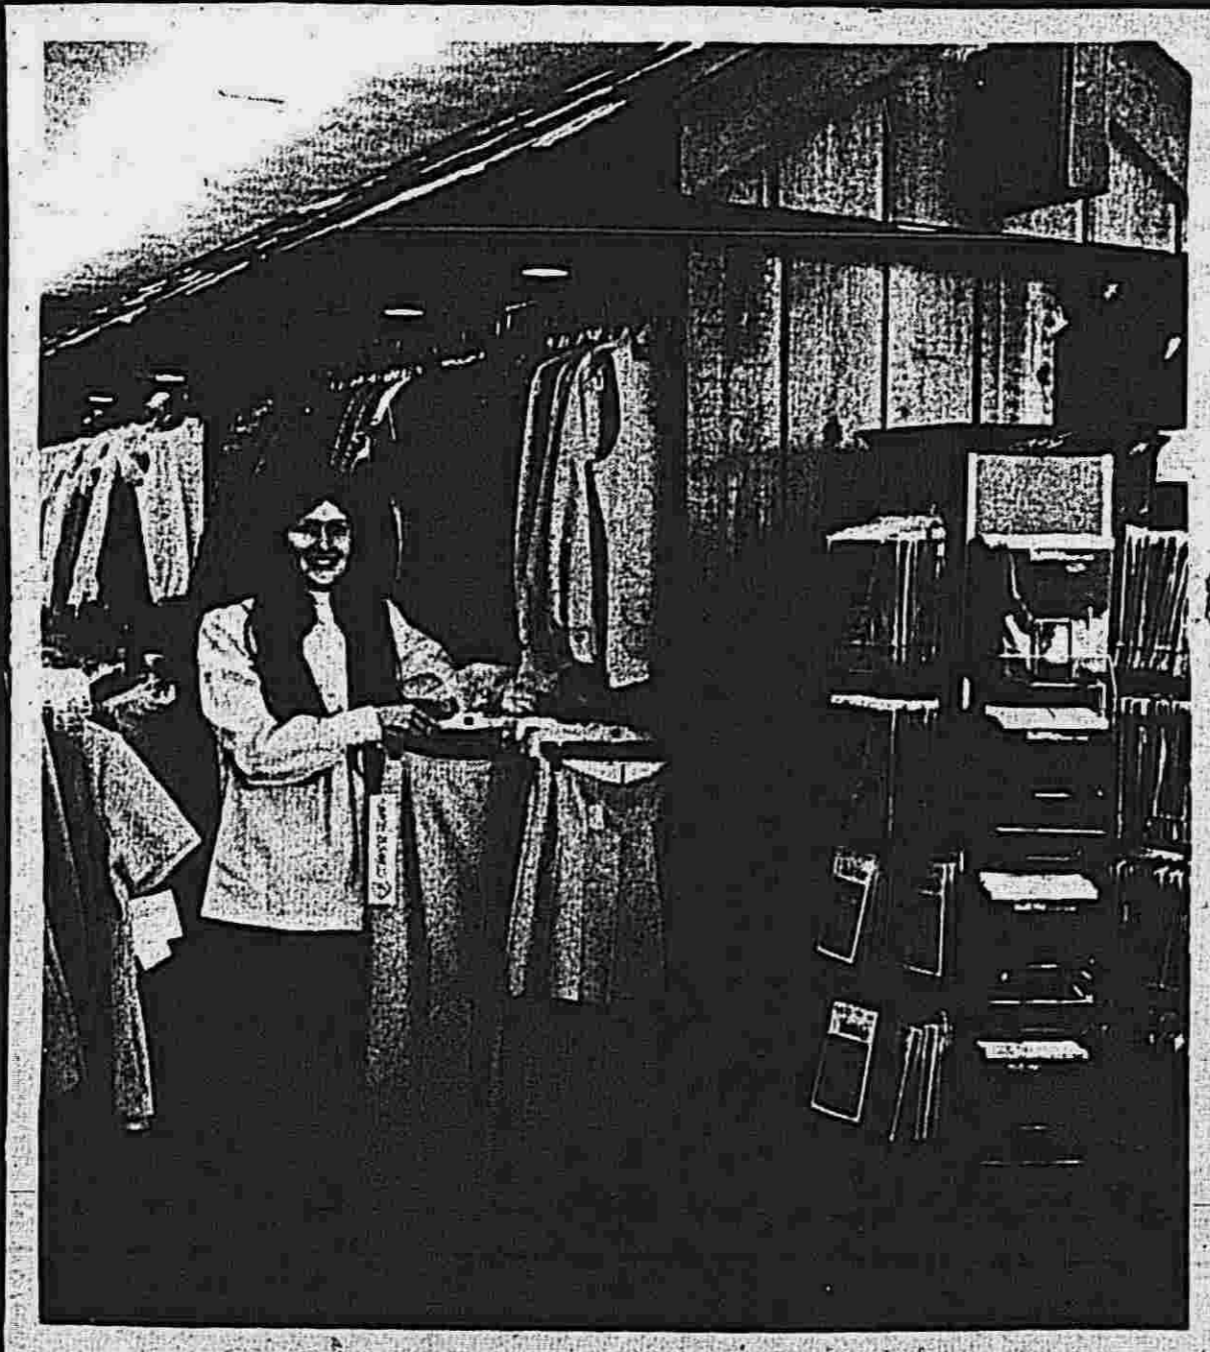

less intense is the person. Mrs. Kazmark analyzed several people from the audience. Without knowing them she described quite accurately their likes and dislikes, traits and abilities. It was a most unusual type of talk. Mrs. Albert Bucar and her committee served refreshments.

GOSPEL SERVICES

AT LEGION HALL

Udenominational Gospel Services will be held at the American Legion Hall at 7:30 P.M. on March 17, 22, and 23. The program will be by Eldon Townsend and Weldon Burgeas. The public is invited.

GET ON THE RIGHT TRACK -- RAILROADS THAT IS. All the gallons of paint on a canvas will not hide poor drawing, especially in pictures which have objects that should be represented with their natural shape or appearance. The concern here is with the drawing of objects just the way we see them.

The word "perspective" (per-specere, to look through), implies you are looking through a sliver of space called the picture plane and transposing on another sliver, your paper, what you see.

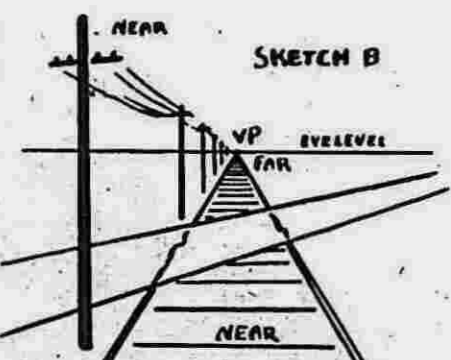

would use to draw that line. Now try it with the road. How steep is that road going up on the picture? Now try it in the room where you are.

As shown in Sketch C, hold the pencil between you and the

We start with railroad-tracks for our example of parallel lines. In perspective, all parallel lines converge or come together at a point (vanishing point) which is always on the horizon or eyelevel. In sketch B, notice that to go into the distance on the picture surface we go up on the paper. That is true only with lines below the eyelevel, as the telephone wires above eyelevel come down to the eyelevel in the distance.

Using Sketch B, hold your pencil between you and the page parallel with the right track. That is the angle you

corner formed by the ceiling and the wall on your right. Important note: Keep the pencil lying flat against that imaginary picture plane directly in front of you and always draw facing what you are drawing. Now pivot the pencil and sight along the pencil so that it is virtually parallel with the corner line. In sighting it helps to close one eye. The pencil slants down to the left. That is the exact slope you see for that corner line and that is what you draw. You can find the correct slant to all lines in space using this method.

Happy perspective. . .

NEXT WEEK: "Of Trees and Things"

Mr. and Mrs. Albert Berkiel became the parents of a bouncing baby girl on March 4, 1972. Linda Cheryl weighed 7lbs. 15oz. and was 22" long.

Maternal grandparents are Mr. and Mrs. George Beshel of Waukegan and paternal grandparents are Mr. and Mrs. Stanley Berkiel of Antioch.

Candidate Replies

EDITORS NOTE: The following is an excerpt from a letter sent by the Antioch News to the five candidates seeking their parties endorsement in the race for State Representative from the 32nd District.

We of The Antioch News, in an attempt to provide our

readers a sound basis on which to make a selection on March 21st are seeking a statement of your position on two issues we feel of special import.

All replies will be printed. However, policy statements which are evasive or nebulous will not go far in regards any endorsement this publication might consider.

DAN PIERCE

Daniel M. Pierce, State Representative - 32nd District

I favor increased State aid for our local school districts with less reliance on property taxes. The state should obtain additional funds through Federal revenue sharing and by reordering the priorities of state spending towards education. Financial discrimination between dual and unit school districts should also be eliminated.

Government decentralization and local economy can be best achieved through the home rule provision of the 1970 Illinois Constitution. Waukegan, North Chicago and Highland Park are automatically home rule units under the new constitution. Lake County can become a home rule unit by approving the referendum on March 21st. Smaller municipalities may become home rule units by referendum as well.

Women of the Moose

On Thursday, March 2, the Mooseheaven Committee Chapter Night was called to order by Senior Regent Judy Page.

Norma Lowe was escorted to the altar, where she introduced her committee.

The entertainment for the evening was provided by the

Mooseheaven Committee. Chairman Norma Lowe introduced Mr. David Nissen, who is the designer of Jim Beam bottles. He provided an interesting talk on the design and value of the bottles.

New members were also enrolled, Donna Nettles was sponsored by Cheryl Wise, Sandy Smith was sponsored by Erna Toft, and Bernice Elwood was sponsored by Jean Wilson. Also, Clarice Perrson received her pin for attending 3 consecutive meetings.

The next meeting will be a business meeting on March 16th at 8:00 p.m.

New Deductions

This must be the week for girls! Our congratulations and best wishes are also extended to Mr. and Mrs. Roger Kruse who became the proud parents of a baby girl on March 6, 1972.

Another pink bundle arrived at the home of Mr. and Mrs. Dennis Dretske on March 2, 1972. Denise Ann tipped the scales at 7lbs. 1oz. and was 20" long.

Maternal grandparents are Mr. and Mrs. Paul Alshouse of Antioch and paternal grandparents are Mr. and Mrs. Martin Dretske, Sr., of Waukegan.

Hammond Organ Society To Hear Jim Brill

The Hammond Organ Society of Lake County will meet on Tuesday, March 21, at the Gurnee American Legion Hall, 7:30 P.M.

After a short business meeting, including election of officers, the members and friends will be entertained by Mr. Jim Brill, prominent supperclub artist. Mr. Brill has performed for the Dairyland Theatre Organ Society and is presently the president of the Kenosha Hammond Organ Society. Jim has been the guest artist for Lake County Society on several occasions and is returning at this time due to popular demand.

Now is the time to join the Lake County Hammond Organ Society as this promises to be a fun-filled year. Dues are only \$5.00 and the new year starts April 1. In order to join, one does not need to own a Hammond, or any organ, to become a member. Refreshments are always served.

american legion auxiliary news

There will be a New Citizens' Reception, co-sponsored by the 10th District American Legion and the Auxiliary, on March 22nd, at 8:00 P.M., at the Homer Dahringer American Legion Home in Waukegan. Co-chairmen are William Schultz, North Chicago, District Junior Vice Commander; and Mrs. R.F. Hollendar, Waukegan, District Auxiliary Americanism Chairman.

Following the presentation of district colors by the Gurnee American Legion Honor Guard, with Ed. Jahneke, District Sergeant-at-Arms; the Invocation will be said by Mrs. Ann Solberg, Zion, District Auxiliary Chaplain. Mrs. J. Bronson Gridley, Regent, North Shore Chapter, D.A.R., will give the Pledge of Allegiance.

Mrs. Ray Panzer, Gurnee, will lead the audience in singing the national anthem. Pianist for the evening will be Mrs. Ray Suzzi of Highwood.

Addresses of welcome will be given by District President, Mrs. Joseph Hogue of Waukegan; and the District Commander Roy Lundsten of Wauconda.

"The Flag Speaks", a manuscript, will be read by Mrs. Thomas Booth, Womens' Relief Corps (WRC).

Guest speaker will be Department Commander Ed Schalk of Chicago, Illinois American Legion. Schalk was the unanimous choice of some 190,000 legionnaires when he was elected their State Commander at their state convention held in Chicago last July. He will bring a timely

message on the meaning of Americanism.

"I Am the Flag", a reading, will be said by Mrs. Louis Thompson, Waukegan American Legion Auxiliary. A Quartette from the Great Lakes Naval fared "Blue Jacket Choir" will sing several selections.

Some 30 new citizens will receive their naturalization papers from Lake County Circuit Court Clerk, Mrs. Stephanie Sulthin of Lake Bluff.

Presentations will be made by Mrs. J.B. Grindley, North Shore Chapter, DAR; Mrs. John Iverson, Waukegan Chapter, DAR; Mrs. Thomas Booth, WRC; Mrs. Louis Thompson, Waukegan American Legion Auxiliary; Mrs. Marie Meyers, National Daughters of the Grand Army of the Republic; and Mrs. Alice O'Dell, Veterans of World War I Ladies Auxiliary.

Mrs. Panzer will sing "America", the district colors will be retired, and the Benediction will be said by District Legion Chaplain George Robbins of Zion.

All American Legion Posts and Units, other participating organization, are asked to post their flags at 7:30 p.m., so that

there may be a massed background display of colors for the reception.

Refreshments will be served by Baxter Evans, Gurnee, Lake Forest, Libertyville, North Chicago, Waukegan, Winthrop Harbor and Zion-Benton American Legion Auxiliaries.

Local Americanism chairmen of both the Antioch American Legion No. 748 and the Auxiliary are Al Fronek and Mrs. John L. Horan.

HEATHER HUNLEY ACCEPTED TO COLLEGE OF VETERINARY MEDICINE

Miss Heather Hunley, a senior at the University of Illinois in Champaign-Urbana, has been accepted by the College of Veterinary Medicine and will begin her studies in the fall semester. Heather is the daughter of Mr. and Mrs. Joseph V. Hunley of Antioch.

In recognition of her scholastic achievements in the College of Agriculture, Heather was made a member of Gamma Sigma Delta, the Honor Society of Agriculture.

Heather's sister, Pamela, recently passed her auditions and was accepted at Illinois Wesleyan University in the School of Drama beginning next fall.

Barb Polsgrove And Betty Waters Place 3rd In Drama Contest

Two Antioch Community High School students won third place in Duet Acting at the State District speech and Drama Contest held Saturday, March 4 at North Chicago High School. Barb Polsgrove and Betty Waters earned a medal for their performance of a scene from Maxwell Anderson's MARY OF SCOTLAND. This qualifies them for the State Sectional Contest to be held this Saturday, March 11, at Niles North High School in Skokie.

A team of six ACHS students competed in five separate events of the District Speech and Drama Contest.

Rick Johnson was awarded fifth place in the Radio Speaking category. Other entries and their categories were: Donna Kessler, Dramatic Interpretation; Roxanne Marino, Verse Reading; and Terry Curtis, Prose Reading.

ACHS was one of the twelve schools which participated in the annual district contest. Competition in eleven individual events and one-act plays was held. Only the first three place winners in each category qualify to compete in the State Sectional Contest.

Elaine George and Don Beveroth coached the members of ACHS's forensics group.

Bryan Sorensen Appearing In Play At IWU

Bryan P. Sorensen, son of Mr. and Mrs. Leslie W. Sorensen of Antioch, is a member of the cast of "The Caucasian Chalk Circle," Bertolt Brecht's epic drama, which will be presented March 9-12 and 15-18 in McPherson Theatre at Illinois Wesleyan University.

This production, the third major drama of the 1971-72 school year, is part of the student sponsored Fine Arts Festival at Wesleyan.

With a cast of 49, "The Caucasian Chalk Circle," is one of the largest productions ever presented by the school of drama.

A play within a play, the setting is the republic of Georgia in southern Russia at the end of World War Two. The people of neighboring collective farms, returning to their homes after the war, decide how best to use the land. To illustrate their decision, they present their

adaption of an Oriental legend, the Chinese Chalk Circle.

All performances start at 8 p.m.

Mr. Sorensen is a freshman drama major at IWU. He is a 1971 graduate of Antioch High School.

CLAUDIA ANN KINAST

Claudia Ann Kinast, daughter of Mr. and Mrs. William Kinast, Antioch, Illinois, is a member of the freshman class at Barat College.

Barat, founded in 1919, has an enrollment of 525 women. The College is conducted by the Religious Order of the Sacred Heart and a distinguished lay faculty.

When "Proud Years" Crown A Lifetime Work

A Man Should Have His Portrait Made!

A man entering his Golden Age is something marvelous to see. Never before has he looked so distinguished or fulfilled. Even the most active man looks somehow relaxed and poised. He knows where he's been and where he's going, and experience leaves him unafraid.

These are his proud years, the apex of existence. Certainly, the most important time for a fine professional portrait and without it, future generations can never really know this man at all.

Are you (or someone you love) entering the proud years of life? Make arrangements now—while there's still time—for this important portrait!

IT'S LATER THAN YOU THINK

Grade School Musicians Score High In Contest

Last Saturday was a day of ruffles, arpeggios and butterflies in the stomach as youngsters from sixteen different school districts competed before the discerning eyes and ears of musical experts. The event was the 1972 contest of the Illinois Grade School Music Association, Northern Division, held at the Round Lake Upper Grade Center.

In all, well over 600 soloists appeared, performing on instruments ranging from the C piccolo to tympani. Ensembles were also comprised of almost every conceivable type of instrumentation playing in combinations all the way from duets to sextets.

As usual, the young musicians instructed and directed by Antioch Grade School Band Director, George Olsar, turned in a performance that must be a matter of pride to our entire community. First place solo winners were Laura Hotchkiss, Oboe, Cheri Matteoni, Saxophone, Nancy Halverson, Cornet and Sandra

Frad, Bass Clarinet.

The Antioch Grade School Band also produced five First Place ensembles and three Second Place groups. The First Place ensemble winners were: B-Flat Clarinet quartet - Lori Haviland, Tammy Ester, Sue Amundsen, Debbie Rentner. Flute Duet - Kim Korando, Kathy Pierce. Mixed Clarinet Quartet - Beth Boyd, Robin Hunley, Sandra Frad, Judy Bjork. Brass Quartet - Nancy Wells, Nancy Halverson, Mike Brady, Tim Murphy. Flute Quartet - Kethy Pierce, Diane Walsh, Kim Korando, Dorothy Nevitt.

The Second Place ensembles were represented by a trio, a quartet and a quintet. The Brass Quintet was manned by Larry Ellis, John Horton, Jim Pierce, Mike Ware and Danny Nissen. B-Flat Clarinet Trio - Candy Bailey, Karen Pahlke, Cheryl Porter. Mixed Clarinet Quartet - Sandra Stadick, Cheryl Stadick, Maryellen Kreiger, Bob DeGrood.

Congratulations go to every member of the hard-working

group who represented the Antioch area so well in a tough competition, with a special vote of thanks to George Olsar for the conscientious instructions that equipped them to meet the challenge superlatively well.

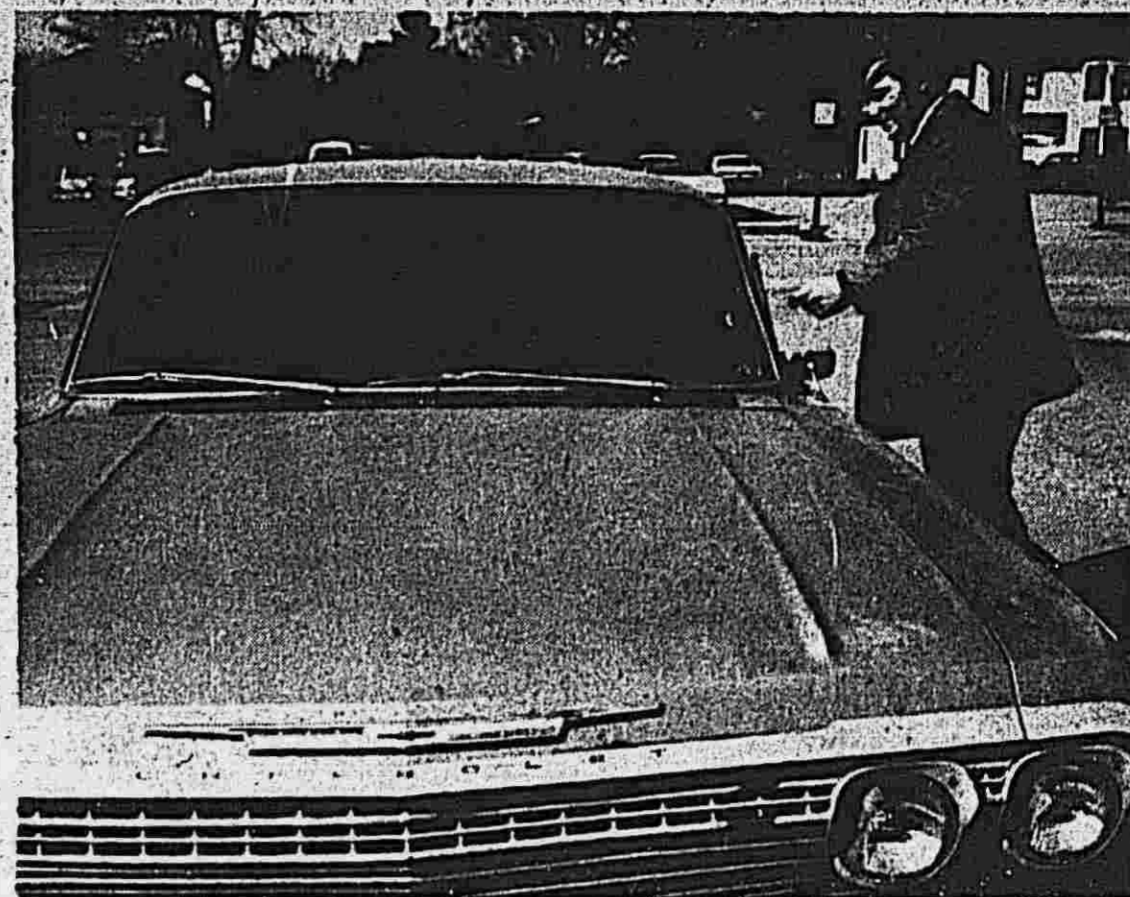

Niles Hosts \$50 A Plate Muskie Banquet

Supporters of Edmund Muskie will hold a \$50 a plate fund raising dinner in Niles, Illinois, Saturday, March 18th, it was announced today.

Campaigning in Illinois three days before the primary, Muskie will keynote an 8 p.m. banquet at the House of the White Eagle, 6939 N. Milwaukee.

A capacity crowd of 900 persons is expected to attend the dinner, which will feature appearances by Senator Adlai E. Stevenson III, Mr. and Mrs. Franklin D. Roosevelt, Jr., and some surprise guests from the performing arts.

In addition to the dinner, a 7 p.m. reception is being held for Muskie Convention delegates from the 10th, 12th and 13th Congressional Districts.

Brad Ipsen of the Antioch Jaycees is shown passing out brochure detailing the dangers of auto theft as part of the Jaycees campaign to fight auto theft.

ANTIOCH JAYCEES REORGANIZE

A reorganization of the Antioch Jaycees took place on February 24th with a meeting at Lorenz's restaurant. Formerly known as the Lakes Region Jaycees, the present group will be known as the Antioch Jaycees. At the inaugural meeting temporary officers were appointed to guide the organization until the time that permanent officers are elected. The temporary officers are Tom Conroy (President), Tony Starcevic (External Vice President), Dale Yoder (Internal Vice President) and Brad Ipsen (Secretary-Treasurer).

Tony Starcevic reports the first project of the Antioch Jaycees will begin Saturday, March 11th with a campaign to alert the community to the dangers of auto theft. Auto theft has been a real problem

on the national level, and if preventive measures are not taken, may become on the local level as well. On Saturday, March 11th, the Antioch Jaycees were in town circulating brochures informing the community of the problem of auto theft and what remedies may be taken to cure it.

Tony reports other upcoming events planned by the Jaycees are an Easter Egg Hunt on April 1st and an Art Fair. Further information regarding these events will be forthcoming.

The Antioch Jaycees is an organization open to all men between the ages of 21 and 35. Anyone interested in joining should contact Tony Starcevic at the State Bank of Antioch or Tom Conroy (414-843-3143).

Floral Land Of Wonder

Come on over and let your mind and heart take a whirl in our flower-filled Ferris wheel (a real one), bubble over with the joyous Dancing Waters, get lost in a Symphony in Green.

You can do that and more just by coming to the biggest garden and indoor greenhouse in the world-the 14th Annual Chicago World Flower and Garden Show, March 18-26, at the spacious and airy Don Maxwell Hall of McCormick Place on-the-lake.

The star attraction of the Flower Show will be the honest-to-goodness Ferris wheel with 12 gondolas, or seats, each filled with flowers keyed to major holidays or events in each of the months of the year. Presented by the Allied Florists Association of Illinois, the Ferris wheel's seats will have massive arrangements

of such readily available flowers as roses, chrysanthemums and carnations, as well as exotic varieties like anthuriums, orchids and other tropical species. The nine ton Ferris wheel's gondolas will be decorated by Allied members, and the wheel will be spun electrically, making a cycle once each minute.

Located at 23rd Street on-the-lake, the magnificent new McCormick Place has permanent dining facilities and exceptionally large parking areas which include a 2,100-car indoor garage and parking lots that can accommodate 6,000 automobiles. McCormick Place can be reached easily by public transportation or via any of the major expressways and tollways leading into Chicago.

Obituaries

MR. NELSON P. DROM - 77 Yrs. old of 208 South 83rd Place - Mesa, Arizona, passed away on Sat. March 11th at the Mesa Hospital. He was born Dec. 22, 1894 in Chicago, Illinois then moved to Kenosha County, Wis., before moving to Antioch in 1920. He had been living in Mesa for the past 3 years permanently, and winters several years previously. He is a 48 year member of Lakeside Rebekah Lodge No. 82 (Antioch) and a 51 year member of the Lake Lodge No. 723 of the Odd Fellows (Antioch). He was preceded in death by his first wife the former Edna Richards Drom on Feb. 15, 1968. (He had been a farmer, later worked for C.F. Richards Farm Implement, business in Antioch, before becoming a carpenter by occupation.)

Survivors are his 2nd wife Bonnie - 2 sons Wayne D. Drom (Saratoga, Calif.) - Lloyd N. Drom (Santa Maria, Calif.) - 1 daughter Mrs. Ruby (Jim) Horton (Antioch) - 2 brothers Gustav Drom (Manitowoc, Wis.) - Jacob D. Drom (Chicago) - 5 sisters Mrs. Helen Prohl (Milwaukee, Wis.) - Mrs. Clara (Floyd) Horton (Antioch) - Mrs. Mary (Harold) Ellis (Antioch) - Miss Edna Drom (Antioch) - Miss Beulah Drom (Urbana, Ill.) and 11 grandchildren.

Funeral services will be held at 1:30 p.m. Thursday at the Strang Funeral Home in Antioch. Rev. Donald Cobb will officiate. Interment will be in Liberty Cemetery north of Antioch. Friends may call after

2:30 p.m. on Wednesday. Contributions may be made to the Antioch Rescue Squad in lieu of flowers. Lakeside Rebekah Lodge and the Lake Lodge of Odd Fellows will hold a service on Wednesday.

MR. ALPHONSE H. BERG - 68 Yrs. old of Cross Lake, Wis., near Antioch, Ill. passed away on Sunday, March 12th at Victory Memorial Hospital. He was born June 13, 1903 in Drskili, Sweden and came to the United States in 1923 to reside in Chicago until moving to Antioch in 1942. He is a member of Southold Lodge No. 20 I.O.S. (Chicago) and Local No. 58 of the Carpenters Union in Chicago. He had worked as a carpenter in the Chicago and Waukegan area. He married Carla Ekstrom on October 29, 1938 in Chicago. He had worked as a carpenter in the Chicago and Waukegan area.

Survivors are his wife Carla - 1 son Alphonso S. Berg (Palatine, Ill.) 2 brothers Harry Berg (Algonquin, Ill.) Algor Berg (in Sweden) - 5 grandchildren and 1 great grandchild.

Funeral services were held on Tuesday at the Strang Funeral Home in Antioch. Rev. Phillip O. Laurin of St. Stephen Lutheran Church officiated. Interment was in Liberty Cemetery.

ANNETTE LUCILLE MURPHY

Private funeral services were held for Annette Lucille Murphy, daughter of Terrance and Martha (ne Rybka) Murphy, of Bethesda, Maryland who passes away on Saturday, March 4, 1972.

Surviving are 2 brothers and 3 sisters. Also grandparents Mr. and Mrs. Vincent Murphy of Evanston, Ill. and Mr. and Mrs. Lowell Strauss of Highland Avenue, Antioch.

Christian Science Churches

What are the demands of God-given freedom? This question will be considered Sunday at Christian Science church services in a Lesson-Sermon entitled "Matter."

"All nature teaches God's love to man, but man cannot love God supremely and set his whole affections on spiritual things, while loving the material or trusting in it more than in the spiritual," a citation to be read from Science and Health with Key to the Scriptures by Mary Baker Eddy states.

Texts to be read from the Bible include this one from Galatians: "Brethren, ye have been called unto liberty; only use not liberty for an occasion to the flesh, but by love serve one another."

Services at First Church of Christ, Scientist, BEACON HILL, Rte 173 & Harden, Antioch, begin at 11 a.m. All are welcome.

special Sunday, March 19, WFLD, Channel 32 at 9:00 A.M.

Hour of Power is a full color, one-hour morning worship service originating in the world's first walk-in, drive-in inspiration center in Garden Grove, California.

Bishop Sheen is speaking in what Dr. Schuller describes as "the largest inter-faith church service ever held in Southern California. We are honored to welcome Bishop Sheen to the church and to our national Hour of Power audience."

The nationally televised program presents a positive and practical application of Christian principles to life situations.

Hour of Power is seen in this area every Sunday on WFLD, Channel 32, at 9:00 A.M.

JOHN F. RICHERD PROMOTED

North Shore Gas company today announced several personnel changes in its Sales Division, involving the promotion of one man and reassignment of three others.

John F. Richerd, of 503 Lynn Terrace, Waukegan, has been promoted to Sales Director and will be in charge of the company's marketing activities.

Richerd, who has been with North Shore for more than 22 years, succeeds Frank J. Dawson who has been transferred to the Sales Division of People Gas Light and Coke Company in Chicago. North Shore and Peoples Gas Light are subsidiaries of Peoples Gas Company.

Chester J. Skidmore, 2141 Woodland Lane-North, Bannockburn, has been appointed manager of North Shore's Space Heating marketing group, and Daniel J. Regan, 4512 Balck Partridge Lane, Lisle, has been appointed manager of the Processing marketing group.

Edwin M. Taber, President of North Shore, said that the new assignments reflect overall adjustments which have been made in the firm's sales area, necessitated by the changing nature of the company's business which has resulted from the growing nationwide shortage of gas.

For the past five years, Richerd has been manager of Commercial and Industrial Sales at North Shore. Skidmore, who has 35 years' service with the company, has been manager of the South District sales office in Highland Park.

Regan, who comes to North Shore from Peoples Gas Light, has 25 years of experience in that company's Sales Division, serving for the past 11 years as Supervisor of Industrial Sales.

Salem Board And Teachers Negotiate Salaries

Salem School Board and the teachers organization met for the last time Thursday March 2 on the negotiations for the 1972-1973 school year.

The agreements reached are as follows:

1. The salary increase for next year was 5.5% of the teachers' present salary.

2. .7 of one percent for fringe benefits which will be applied to teacher retirement.

3. Hospital and surgical insurance which will read: "A single plan or head of household plan" which is to be on the co-ordinated plan. The amount to be the same as paid for 1971-72 hospital plan.

4. Teachers must take a three (3) credit course every three (3) years after getting their degree.

5. Professional day - Each teacher may be granted one day per year to attend a meeting of their choice in the field of their curriculum, providing the teacher makes arrangements well in advance with the administrator. A written or oral report may be requested.

PUBLIC NOTICE

Notice of Proposed Change in Gas Schedule

NORTHERN ILLINOIS GAS COMPANY hereby gives notice to the public that it has filed with the Illinois Commerce Commission on February 29, 1972, revisions in rate schedules to reflect in adjustments for cost of purchased gas and thermal content, purchases and transportation of liquid hydrocarbons for the production of supplemental natural gas. These changes in the adjustment for cost of purchases and transportation of liquid hydrocarbons will have the effect of increasing the adjustment for cost of purchased gas.

Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

A copy of the proposed change in the schedule may be inspected by any interested party at any business office of this company.

ACHS Cites Tax Figures

Year	Tax bill	A.C.H.S.
1960	\$326.10	\$109.80
1961	381.40	122.60
1962	374.60	127.00
1963	376.40	135.60
1964	386.70	132.90
1965	404.90	142.80
1966	418.20	147.50
1967	473.10	148.10
1968	514.50	157.10
1969	641.60	205.10
1970	606.70	188.70

The above figures depict an example of what has happened to real estate taxes in the Village of Antioch during the eleven-year period of 1960 to 1970 (rates supplied by the Lake County Tax Extension Office) using a house with an assessed valuation of \$10,000.00 (market value of approximately \$20,000.00).

While the total real estate taxes in the above example increased by \$280.60, or 86% in eleven years, the high school portion of that increase was \$78.90, just 28% of the increase.

You have probably noticed that your real estate taxes went down from 1969 to 1970. This occurred largely because the building bond that the voters of District 117 approved in 1961 was paid off with the 1969 tax levy. Therefore, if the voters approve the upcoming tax rate referendum, the real estate taxes on a house with an assessed valuation of \$10,000.00 would increase by approximately the same amount that their taxes were reduced in 1970.

The tax rate increase of 40 cents per \$100.00 assessed valuation is essential for continuing the level of education that has come to be expected by the residents of District 117 for their children. The 40c tax increase, if approved, would raise the High School tax in the above example from \$188.70 to \$228.00. This means that if the subject household has just one student at Antioch Community High School, they would pay just \$228.70 per year towards our yearly cost per pupil of \$1,454.00.

Without the tax rate increase, further budget cuts would have to be made. These cuts would severely hamper the education program at Antioch Community High School. A questionnaire showing the areas of the program and budget which would be affected has been prepared and

is available to all interested persons. Respondents are asked to rate school activities, services and programs according to low, middle or high priority. There is a section for comments at the end of the form. The completed form will assist the Board of Education in determining your wishes. Any interested voters who have not received the questionnaire as yet, and wish to do so, may pick up a copy at the Antioch Community High School general office.

Vern Cook To Speak At Antioch Grade School PTA

The Antioch Grade School PTA will hold a meeting on Monday, March 20th at 8 P.M. in the school gym.

The guest speaker is Deputy Sheriff Vern Cook. He will describe the types of drugs commonly in use; to where their use leads; rehabilitation of addicts; police involvement in anti-drug programs, etc. Questions from the floor will be welcomed. The attendance of pre-teens is not recommended.

Officer Cook, a resident of Antioch, is attached to the Juvenile Department of Lake County.

Refreshments will be served by the P.M. Kindergarten and 2nd Grade Room Mothers afterwards.

3 And 4 Year Olds Needed To Find Special Education Needs

In July, 1971 the Illinois legislature passed two state laws providing for the special education needs of children 3 and 4 years old. New ways are needed to find children who have special learning problems at this age.

The Special Education District of Lake County will be working with the Office of the Superintendent of Public Instruction to field test a new

screening technique. This may be used in the future to find children with learning problems. Right now we must find what the average 3 and 4 year old can do on the screening technique.

We need YOUR help. We need 625, 3 or 4 year old children who live in either unincorporated areas or in

Con't on Page 16

Three students from the Oakland School exhibit posters depicting the Fun Fair to be held at the school Sunday, March 19th from Noon 'till 5. The students are "I to r" Bill Gers, John Toal and Mike Conners.

Oakland Fun Fair Sunday

The annual Oakland Grade School Fun Festival, sponsored by the PTA will be held on Sunday, March 19, from 12:00 to 5:00 P.M. at the school. Games and activities are planned for all ages, helium balloons, cartoons, and delicious refreshments will add to the enjoyment of the festivities. Parents, teachers and students are combining their efforts to make the day a success.

Area businesses have

UPPER GRADE CENTER

PTA TO MEET

The Apache Parent Teachers will hold their meeting on Monday, March 27, 1972 at 7:30 p.m. at the Antioch Upper Grade Center. There will be a short business meeting and then the presentation of the Language Arts Department. Refreshments will follow.

graciously donated many lovely prizes for the festival. Among those participating are: S&S Dry cleaners - free cleaning; Antioch Paint & Glass brushes; L&R Pet Shop - gift certificate; Gilded Cage - Towel set; Shoe Box - umbrella; Antioch Hardware - salad maker set; Jayne's Dress Shop gloves; Stanley's Men's Fashions - cuff links; North Central Cycle - shirt; Town for Men and Boys - lantern; Clare's Beauty Shop - shampoo and set; Barnstable's - bath set; Merry-Go-Round Bakery - 19" cake; Hahn's Jewelry - cuff links; Erickson's Sewing Center - Sewing box; Blanchette Radio & TV - Radio; First National Bank of Antioch - Radio; The Hobby Barn - Models; Polson's Dietary Foods - Vitamins; Lakeside Restaurant - Two Free Dinners; Carey Electric - Light; King's Rexall Drugs - Shaving set; Wilton's Electric - coffee pot; Radke Barber Shop - free hair cut; Caryl's Hair

Fashions - \$15.00 permanent wave; Jewel Store - \$3.00 gift certificate; Walsh's Sporting Goods - Sled; Antioch Restaurant - free lunch; Coca-Cola - Beverages; Antioch Drugs - toiletries; State Bank of Antioch - Two \$25.00 Saving Certificates; Foremost Liquors - gift certificate; Floral Acres - plant; Ben Franklin - cookware set.

Chairmen for the Festival are Ralph Monttinas, "Kip" Smith, Jay Richardson, and Ed Johnson. Mary Wells is in charge of refreshments, Gail Heath and Nancy Speck, decorations and Penny Koeller, cake walk.

The goal of the PTA is to provide area families with an afternoon of FAMILY entertainment. The public is welcome. Prices for all activities and refreshments will be kept at a minimum. Proceeds will be used to further PTA activities in the school.

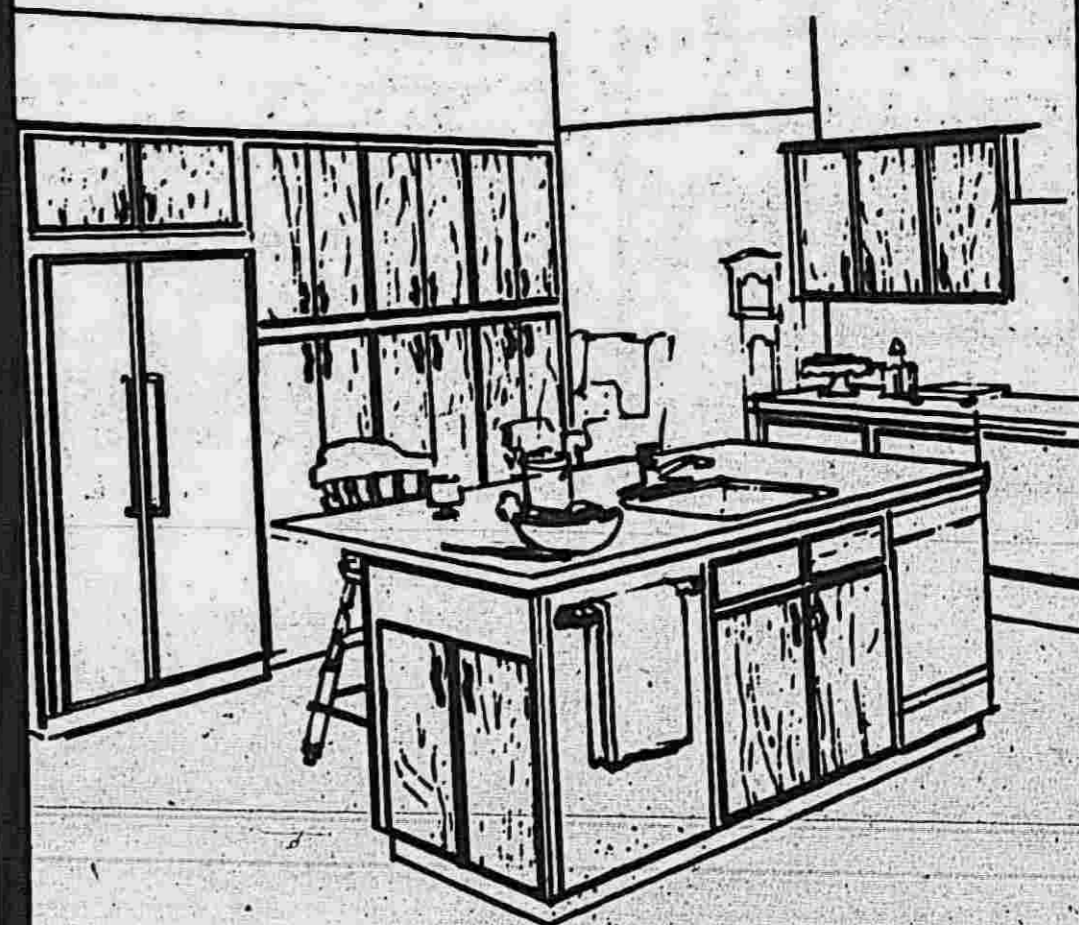

the wise way to remodel.

Most people think small when it comes to remodeling. They figure big jobs mean big expense. Perhaps they haven't considered this.

For a modest, affordable price, a dreary kitchen can become a matter of pride. A Mengelwood kitchen by Del-Mar/Mengel. That's because there's no substitute for the quiet beauty of finely crafted wood cabinetry in the kitchen. And there's no substitute for the economy that goes along with it.

Surprise yourself by seeing Mengelwood or any of the many kitchens that come from Del-Mar/Mengel. We'll be glad to give you a free estimate on each.

With a Stern Eye

"When this is all over, I'd like to sit down with you and discuss a book that I think we could write together," said Mrs. Tobin, the candidate for Delegate in the 12th District. I nodded; she went on. "There are a million things that somebody like me needs to know about how to run for office and..."

"I kept a Campaign Diary when I ran for County Clerk," I murmured, embarrassed. "But I don't think the information in there would..."

"That's not what I mean. What I need to know is stuff like: How to lay out a campaign brochure; and to pass the hat for campaign contributions at a coffee?"

"No," I said flatly.

"Not ever? How do you get funds to run?"

"If they know before they come - I mean, if there is some warning on the invitation that funds will be solicited, that's different. But to spring it on folks who come to meet you and to be convinced? - not in my book!"

"All right, I'll buy that."

"Actually, there are two different kinds of coffees. There's the kind that you give -

or someone gives - for your workers and the people who are going to be pushing your candidacy. If they're already sold on you, that's one thing. Those are the people you expect to support you. But when you're already sold on you, that's one thing. Those are the people you expect to support you. But when you're talking about the kind of coffee that casual acquaintances give for you, to introduce you to their friends as someone they should think about voting for - well, I think it's rotten to hit them up for cash. By mail maybe. Then they can throw it away without being embarrassed."

"There, you see? That's the sort of thing I mean. We could do a whole chapter on fund raising."

"Do you find there are things that come up because you're a woman rather than simply that you're a candidate? I mean, this book that you see us writing, would it be directed at the Woman Candidate, or just at candidates in general?"

We both thought about that for a moment. Mrs. Tobin - allan Eunice - is an old friend with whom I have created probably a hundred scripts for small shows that we put together. We are accustomed to sorting out one another's

creative processes.

"Ummm... a chapter or two directed at the woman specifically, like whether to shake hands - stuff like that. But mostly I see it as a thing to the candidate generally. For instance: How to sleep on your feet - some high energy recipes. And another thing: for instance: I'm running as part of a 5-man slate. Now when one of my friends wants to give a coffee for me, do I have an obligation to ring the other four in on it? And if I make the suggestion that they be included - softly and deferentially - and my hostess says nothing doing - what then? Do I have to decline the coffee? Or is it perfectly ethical to go ahead?"

"Yes... I see the problem."

"And as part of this 5-man slate, is it cricket for me to insist on doing only those things that I'm good at? I mean you know, and I know, that I am a lousy organizer and administrator. Do I have to accept the assignment of fund raising? Do I have to be the one that gets the teams together to address the mailing? That's what they want me to do. And the other side of the coin is that I'm great at explaining why we're there and what the issues are all about. I have no false modesty..." We

both smirked a little. "And it seems such a waste to do the stuff I'm rotten at and let someone else take over the part that I can do really well."

Silence for a couple of minutes. "Do you see a section on 'Color Coordinating'? That business we used of tying our bumper stickers and campaign colors to the license plate colors of that year - it gave the committed bumpers a consolidated look."

"Maybe. And another on 'How to avoid being a whining underdog'..."

"And still putting a bit into your campaign?"

"We could call that part 'The One-Party County' or."

"I've got it - the title for the book" - and we shouted it together: "The Breaking of a Precedent!"

It should sell like hotcakes.

THREE YEAR

ENLISTMENT

New three-year enlistment programs were announced by the U.S. Navy's Recruiting Command Headquarters in Washington D. C. recently.

Two enlistment options, titled the "Seafarer" and "Airman" programs are designed specifically for the young man who desires to serve in the challenging

environment of the sea, without incurring the longer active duty commitment imposed by attendance at an advanced training school.

The programs can guarantee duty with one of the Navy's seagoing units - whether that be a guided missile destroyer operating in the Pacific Ocean, or a sophisticated aircraft squadron embarked on an aircraft carrier in the Mediterranean Sea. It opens the horizons of the seas or the spaciousness of the skies to additional young men.

The Navy has openings in March for 2,279 men in the Seafarer and 1,456 in the Airman programs.

Under the Seafarer program, young men will be guaranteed duty on board a ship operating from the coast of their choice. Rather than attending a "Class A" or an advance training school, after recruit training, men will receive on-the-job training in one of three apprenticeships. Seaman (general shipboard duties); Fireman (engineering assignments); or Constructionman (Seabee or construction trade assignments).

A young man in the Airman program is guaranteed assignment to an aviation unit on the coast of his choice. Duty may be to a Naval Air installation, aircraft carrier crew, or an aircraft squadron embarked in an aircraft carrier.

Both the Seafarer and Airman programs are open to 17 year olds who are high school graduates, or 18 to 31 year olds who hold a high school diploma or an equivalency. (Waivers may be granted to non-high school graduates who score high enough on entrance examinations.)

All enlistments will be paygrade E-1, with a beginning salary of \$288.00 per month, plus housing, meals, medical care, uniform allowances and other military entitlements.

Men in the Seafarer or Airman programs who later desire to attend an advanced training school will be permitted to apply, provided they contract for the additional service obligation required for school.

The Seafarer and Airman programs are the minimum enlistment offered by the regular Navy. The normal enlistment with a guarantee of advanced school remains four years. Programs offering up to two years advanced schooling in the electronics or nuclear propulsion fields carry a six year obligation.

Additional information on the Seafarer and Airman programs is available from Navy Recruiter Robert U. Lindsey at 106 S. Genesee St., downtown Waukegan, telephone 336-8440.

Another first for Commonwealth Edison.

Partner in the nation's first demonstration fast breeder power plant.

With the nation's needs for electricity growing and growing, Commonwealth Edison is proud to be part of another pioneering step in supplying those needs. We're taking this step as a partner with the Tennessee Valley Authority in developing the first liquid metal fast breeder demonstration power plant.

What is a fast breeder? It's a nuclear reactor that in generating electricity produces more fuel than it uses. So it actually stretches the nation's supply of available fuel.

The result will be clean, economical energy with a minimum effect on the environment. Commonwealth Edison will engineer and manage the new plant, which will be located in the TVA system. It's all part of our continuous dedication to provide for your electricity needs in the future. Part of a plan that began nearly 12 years ago, when Commonwealth Edison began supplying nuclear power at Dresden Station, the nation's first privately financed nuclear power plant.

twons whose population is under 2,500. We will be working at Avon Center School, Rte. 83, Lake Villa, Illinois, the four Saturdays in April, 8, 15, 22, 29, and the four Saturdays in May, 6, 13, 20, 27. In addition a day will be set aside at the SEDOL Office, 4440 West Grand Avenue, Gurnee, Illinois. This will be April 6, 1972.

If you are interested in helping us, please contact Miss Ealine Neisius at the SEDOL office. The telephone number is 623-0021, Ext. 49. Please call. We need 60 to 80 children for April 6.

When Offspring Flee The Family Nest

A Man Should Have His Portrait Made!

Rarely is a man so truly loved or deeply respected, his approval and advice so earnestly sought, as when his children leave home for the very first time.

In a new world with mountains to climb, decisions to make and his own experienced wisdom so far removed, a father's portrait may be the best support he can lend. A fine professional portrait can speak through memory of things once said, extend a helping hand through time and distance.

If your children are preparing to go away, make arrangements now for that important portrait. You've never been greater, wiser or more handsome.

IT'S LATER THAN YOU THINK!

TOM STEISKAL'S ANSWER TO A CONCERNED CITIZEN

A CONCERNED CITIZEN from the Grass Lake area took the time to check my taxes and make a report on them. At this time I would like to make clarification of some of the points brought up.

My home is a modern brick house with an attached garage and the other two buildings mentioned are frame sheds one 10ft. X 12ft. and the other 3ft X 4ft.

This "choice" seven acre piece of property I have contains over two acres of it under water and quite a large portion of the remainder is slough. On this property we paid for the taxing year of 1970 a sum of \$853.22. Eight Hundred Fifty Three Dollars and Twenty Two Cents. I am quite sure this is in the correct tax bracket for this area.

"CONCERNED CITIZEN", I am quite sure I know your identity and if I am correct then why haven't you paid your Real Estate Taxes for the year 1970 and also your personal property taxes for 1969 and also 1970??? I am quite sure that the Grass Lake School district could use their share of these taxes you owe.

Also "CONCERNED

Oppose Home Rule

The Lake County Life Underwriters, the professionals of Life Insurance in Lake County, met last week and overwhelmingly rejected the home rule concept at this time due to lack of limitations on the taxing powers of the home rule body.

The Underwriters further noted that they are not against the home rule concept but would like to see all the questions on this subject answered along with the legislation needed to implement home rule passed before the citizens are asked to vote on this important issue.

"We feel Lake County should wait until the law has been run through the sifter, and then take a good hard look at what is left, before deciding if it is good or bad for the county."

"CITIZEN" you did not mention that the present Republican Precinct Committeeman, who also used to serve on the Grass Lake School Board for a good part of the 1960's had to have suit brought against him to make him pay his personal property taxes for the years 1961 thru 1968. These he paid part of December 31, 1970 and the remainder in 1971. I also see from the records that as of March 8, 1972 he has not paid his personal property taxes for the years of 1969 and 1970. I am quite sure the Grass Lake School District could use their share of the \$188.71 - One Hundred Eighty Eight Dollars and Seventy One Cents that is owed by our present Precinct Committeeman to pay his and I hope you pay yours also if they are not paid.

I hope all the voters in the 4th Precinct of Antioch Township consider this before voting on Tuesday, March 21st for the person to represent them in their precinct.

TOM STEISKAL
CANDIDATE

Joseph P. Welch, chairman of the Lake County Legislative Committee made up of six members of the County Board, urges voters to turn down the Home Rule proposal which is on the March 21 primary ballot. Mr. Welch's committee recently released a year long pro-and-con Home Rule report made to County Board members.

The Committee of Concerned Citizens on the Ramifications of Home Rule, a Lake County resident oriented group, has gone on record as being opposed to the Home Rule proposition appearing on the March 21 ballot.

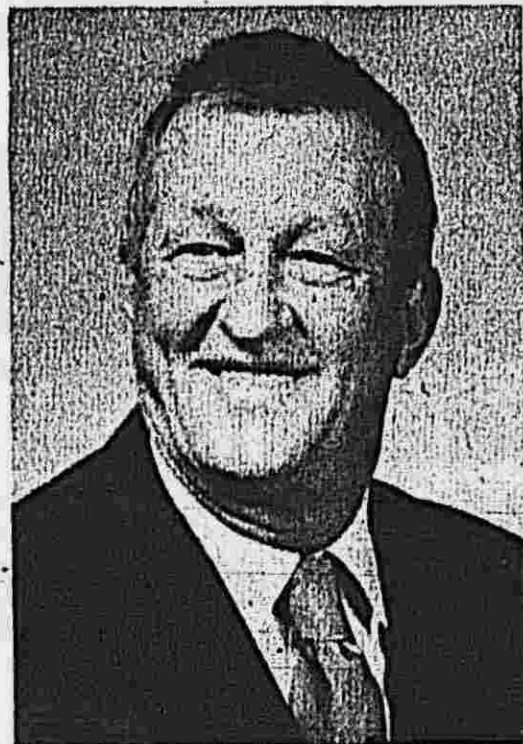

Spokesman for the organization, Gordon D. Lewis of Tower Lakes stated: "Home Rule has a sweet sounding ring to it . . . until you understand the hazards of adoption now, instead of waiting a while until the courts have ruled on many disputed areas and until the Illinois General Assembly provides legislation for proper implementation."

DEUSTER ENDORSED

Donald E. Deuster was endorsed unanimously for State Representative in the 32nd Legislative District by the Fremont Township Republican precinct committeemen at a meeting March 7.

"Don Deuster is able, conscientious, seasoned and knowledgeable on the working of government," said a spokesman for the Fremont group, Mrs. Frank S. Borst, Township chairman and member of the executive committee of the Lake County Republican Central Committee.

"Deuster's native intelligence and integrity are the qualities that appealed to us," Mrs. Borst said. "We feel we have a fine candidate in Don and are proud of him. We know he will serve all the citizens of the 32nd District with distinction in Springfield."

HOWARD L. SCHNEIDER
RETIRES

Howard L. Schneider, 208 Grand Ave., Lake Villa, recently retired from Commonwealth Edison Company. He had spent 34

years in overhead line work in the Lake Villa and Waukegan areas. He was district foreman in the overhead division.

A lifetime resident of Lake Villa, Schneider is a member of the Methodist church and an avid sports fan. He and his wife, Cornelia, will make their future home at Portage, Wisc.

In Chicago, Jimmy Durante stopped to visit with 3-year old Sabina Lake a patient in the Easter Seal Center in Villa Park and to discuss plans for the nationwide Easter Seal Telethon with the staff of the National Easter Seal Society. Durante is honorary national chairman of the telethon which will be broadcast with an all-star lineup of entertainment on Saturday Night, March 25 and Palm Sunday, March 26. The Lake County Easter Seal Therapy Center is participating in the Telethon to be viewed locally on WTTW-TV, Channel 11.

HOLLYWOOD AIDS IN EASTER SEAL TELETHON

Stars galore will join in the 1972 Easter Seal campaign across the nation, according to officials at the Lake County Easter Seal Therapy Center in Gurnee.

Such stars as Lake County's own Jack Benny will join in the national Easter Seal Telethon held March 25th and 26th, when an appeal will be made to help crippled children and adults.

Jimmy Durante, promising a million dollars worth of entertainment has taken the honorary chairmanship of the first nationwide Easter Seal Telethon.

The fast paced 20-hour show will be broadcast locally over TV Station WTTW, Channel 11, beginning at 10:00 P.M. Saturday, March 25th and continuing until 6:00 P.M. Sunday.

Already volunteering for master of ceremonies honors are Benny, Bob Newhart, Andy Williams, Flip Wilson, Sammy Davis Jr., Buddy Hackett, Don Rickles and Robert Goulet. Monty Hall, host of TV's "Let's Make A Deal" will preside as anchor M.C. throughout the show.

The telethon will follow the

format of last year's highly successful statewide telethon, in which virtually every entertainer in Las Vegas and many from Los Angeles participated in asking for pledges of contributions to the Easter Seal cause. It will be a grand climax to the 39th annual Easter Seal fund raising, using the theme: "It's A Small World, You're Not Too Big to Help".

It is noted that funds raised in Lake County by the telethon will be retained here to support services for crippled children and adults provided by the Easter Seal Therapy Center in Gurnee.

The Lake County Chapter was established in 1946 through the efforts of the Waukegan Exchange Club. The therapy center was moved from Waukegan to Gurnee in December of 1970, which made it geographically more convenient for all of Lake County.

The center in Gurnee located at 4611 West Grand Avenue provides speech therapy, physical therapy, free equipment loan, referral service and evaluation.

Rentschler Named Speakers Bureau Chairman

William H. Rentschler, who headed President Nixon's successful Illinois campaign in 1968, has been named Speakers' Bureau chairman for the Illinois Committee for the Re-election of the President.

Thomas J. House, campaign chairman, announced the appointment and noted that Rentschler also will serve as his special consultant in the 1972 campaign. Houser said, in making the appointment, "Bill Rentschler had a major role in electing the President in 1968. We're delighted he has agreed to become a key member of the Nixon team in 1972."

Rentschler will organize a network of speakers to tell the story of the President's record and his administration's accomplishments to members of organizations throughout Illinois. He also will be available for key speaking assignments himself.

In accepting the appointment, Rentschler said, "This represents a commitment on my part to work statewide as a member of the Nixon team toward the re-election of the President. It becomes more obvious each day that America and the Free World need Nixon in '72."

Rentschler is a Nixon-committed candidate for delegate to the 1972 GOP National Convention from the 13th Congressional district, including parts of Lake, Kane and McHenry counties. He was an elected delegate to the 1964 convention and worked for Nixon as early as 1960, as Illinois chairman of the "Win with Nixon/Lodge Committee."

In 1968, he was chairman of the Illinois Citizens for Nixon, serving in that post from the early pre-convention skirmishing through the general election. Illinois in 1968 gave more convention delegate votes

to Nixon than any other state and provided the decisive electoral votes in November, as well.

Rentschler, 46, is president of companies in the computer hardware and sporting goods industries. He is a trustee of Rockford College, Goodwill Industries, and Citizens Information Service; a director of Better Boys Foundation; member of the Political Responsibility Committee of Illinois State Chamber of Commerce, Economic Club, Executives Club, and other organizations.

There are three "first voters" in the Rentschler family: Sarah 21, Peter 20, and Mary 18. The Rentschlers six other children range in age from 10 to 15. Bill's wife, Martha, is President of the Women's Auxiliary of the Infant Welfare Society of Chicago, an inner-city health organization with 3,500 volunteer members and 50 centers spread throughout the Chicago Metropolitan area.

A native of Hamilton, Ohio, Rentschler is a graduate of Princeton University and a Navy veteran of World War II.

MELVIN E. SIMS APPOINTED TO FEDERAL FARM CREDIT BOARD

The U.S. Senate today confirmed President Nixon's appointment of Melvin E. Sims, President of FS Services, Inc., and Illinois Grain Corporation, to a 6-year term on the Federal Farm Credit Board, to represent the Sixth District covering Illinois, Missouri and Arkansas. Sims is a former president of the National Council of Farmer Cooperatives. He farms with his brother and son at Liberty, Illinois. FS is a farm supply and service cooperative affiliated with the Farm Bureau in Illinois, Iowa and Wisconsin.

Babcox Submits Financial Statement

Anticipating requirements for financial disclosures by elected public officials under new state legislation, Robert H. (Mickey) Babcox, of Grayslake, candidate for the Republican nomination for Lake County Coroner in the March 21 primary election has submitted a financial statement to County Clerk Grace Mary Stern.

In making the disclosure Babcox said, "There seems to be an unusual amount of interest in my personal financial situation and since I will be required to make a statement after the November election I have decided to dispose of the matter at this time."

Babcox, who was elected Coroner in 1952 when he cast his first vote and re-elected in 1956 and 1960 and now operates the Fiddler's Green Resort at Grass Lake, set his net worth at \$47,022.79 in his statement.

Assets totalling \$66,400 were listed by Babcox including his Grayslake home valued at \$37,000; personal property valued at \$8,400;

equity in lease on resort property at Grass Lake \$2,000; business and fixtures \$18,000 and \$1,000 in cash.

"My assets also include 12 years as Coroner of Lake County, experience as a deputy sheriff, a diploma from the Worsham School of Mortuary Science, and a State of Illinois Funeral Director and Embalmer's License," Babcox pointed out.

Listed as liabilities were a mortgage of \$13,867.81 on his home; a personal note at an Antioch bank for \$2,700; medical bills totalling \$509.90 and current operating bills for the business including rent on the lease of \$2,300, for a total of \$19,377.71.

Babcox said, "I hope this clears the air so the balance of the campaign for County Coroner can be based on the qualifications of the candidates and their records in office."

H.G. Miller, Jr. Named Pr. Chairman For North Suburb Boy Scouts

Mr. H.G. Miller, Jr. has been selected to be chairman of the public relations committee for the Northeast Illinois Council of the Boy Scouts of America for 1972. A vice president and board member of APECO Corporation, Evanston, Miller is responsible for advertising and public relations.

In making the announcement, council president, Richard Kennedy, publisher of the Waukegan News Sun said, "We are extremely pleased to have Bud Miller's calibre of professional

ability with us to direct our communication efforts. We are quite confident that he will do an outstanding job of reporting the news and activities of our organization to the public."

Miller was instrumental in helping to raise council operating funds this year. In November, Miller and Clayton L. Rautbord, president and chief executive officer of APECO, served with other local executives as co-chairmen of a fund raising luncheon attended by more than 350 local business leaders.

The Northeast Illinois Council is one of six in the Chicagoland area. Approximately 16,000 scouts are active in its 425 Cub Packs, Scout Troops, and Explorer Posts and 6,000 adults are volunteer leaders. More than 50,000 scout-age boys reside within the council's boundaries.

A.A. Hughes, chief executive of the council, said he expects the council will generate more news this year due to the implementation of a five-year, long range program. A \$1.7 million capital funds development campaign was launched in February to support the plans.

The council expects it will have a 35 percent increase of active scouts, to nearly 23,000, and 650 scout units by 1976. To properly serve the increased participation, the funds will be used to complete two new long-term Boy Scout camps at Ma-Ka-Ja-Wan Scout Reservation in northern Wisconsin, construct a new youth leadership training camp for year-round use near Glencoe, and build a council service center.

The council serves in partnership with 275 churches and temples; 76 schools, PTA and PTO groups; 60 civic and service clubs; and 10 business, industrial and related organizations.

The Northeast Illinois Council serves the Boy Scouts in the area bounded by Chicago on the south, the Wisconsin border, Lake Michigan on the east and as far west as Antioch.

HEART ASSOCIATION DIRECTOR TO SPEAK UNDERWRITER'S LUNCHEON

The Lake County Life Underwriters will hold their monthly luncheon meeting March 17, 1972 at noon at the Holiday Inn in Gurnee, Illinois. The subject for this meeting will be "Your Heart" and the guest speaker will be Mr. Austin Finnessy, Division Director of the Heart Association of Lake County.

The Underwriters will also kick off their public service project for April, "Medic Alert Month" at this meeting. Co-Chairman for this public service month, Charles Coburn of Deerfield, and Ray H. Daugherty of Waukegan, will speak on this important project and what the Underwriters will be doing in April in the county of Lake.

ROBINSON'S HOSTING THANK-YOU RECEPTION

Culminating the aggressive campaign for Delegate to the Republican National Convention of PAUL H. ROBINSON, JR., to be decided on March 21st, Mrs.

Robinson is giving a "Thank You" reception on Wednesday, March 15th at their home, Shoreacres, Lake Bluff.

The Robinsons will honor the many Republican organizations, particularly the women's groups which have cooperated in making the election campaign so effective in all parts of the new 13th Congressional District that now embraces parts of Lake, Kane and McHenry counties.

From 1:00 until 4:00 p.m., Paul H. Robinson, Jr. will be on hand, along with all the other Republican primary candidates who can attend, to express his appreciation. Refreshments will be served.

"While many friends have been most helpful, it is the regular organization people, men and women, who have combined to awake the citizens of our new District to the importance of this primary", Mrs. Robinson said. "We are grateful and I know that each of the competing candidates for the other major county and state offices are equally pleased and welcome this opportunity to express their "Thanks", she added.

Paul Robinson, who has been making a whirlwind swing from Waukegan to Elgin and back, said, "I look forward to the opportunity to personally express my appreciation to those who have been so helpful to my campaign."

Among the groups whose members will attend are: Republican Women's Club, Countryside Republican Women's Club, Ela Township Women's Republican Club, Grant Township Republican Women's Club, Women's Republican Club of Warren Township, Wauconda Township Republican Women, Waukegan Township Republican Women's Club, Young Women's Republican Club of West Lake County, Zion Township Republican Women's Club, 12th and 13th Congressional District Women's Republican Club, Avon Township Republican Club, United Republican Club of Zion, Lake Villa Township Republican Club, Warren Township Republican Club, Republican Workshop of Lake County, Tri-County Republican Club, Waukegan Young Republican Organization, Zion-Benton Young GOP, Young Republican Federation of Lake County.

Emmons Closes With Unblemished Record

Emmons closed out its conference play with a perfect 10-0 record in both the "A" and "B" division. The Raider's basketball teams had identical 13-3 overall records.

In their final game of the season, the "A" team Raiders crushed Millburn Mustangs 102-25. The Raiders jumped to an early 34-9 first quarter lead. At intermission the Raiders had a commanding 59-15 lead.

With a minute remaining in the game Bob Dubek hit on a three point play to push Emmons to the 100 point mark. Jon bodin, with 21 points, hit on break away lay to set an all-time conference scoring record.

Also hitting in double figures were Jeff Eder, 14, Ken Cash 13, Dave Lagerstrom 12, and Paul Petty 10. Leading rebounders were Eder 15, Cash 13, Bodin 12, and Tom Grego 10.

In the "B" contest Emmons had a 20-15 half-time lead. Millburn rallied to take a 31-29 lead with 1:30 remaining.

John Kakacek was fouled in the act of shooting with 30 seconds left on the clock.

Kakacek stepped to the line and hit both charity tosses to lock the game at 31 all.

In overtime play Tracy Sodman and Bill Dubek combined for 5 points to give Emmons a thrilling 36-15 win.

Dubek led Emmons with 13 while Sodman tossed in 11. Game scoring honors went to Bob Anderson of Millburn with 14 points.

SALEM STUDENT

FACULTY GAME

Salem Booster Club will again sponsor the student faculty game. The game will be played at 4:00 p.m. Wednesday March 15, 1972 at the Salem Grade School. The male faculty will take on the 1971-72 Westosha Conference champs, after the girls play the Women's faculty team. We invite all and hope you will attend.

FACULTY LINE-UP

Wandering David Wynstra, Gliding David Gladieux, Swiftly Charles Schwenn, Marvelous James Marescalco, Dangerous Charles DeLuka, Big Red Clausen and Mighty Matt Mesner.

ST. PETER'S TOURNEY CONTINUES FRIDAY

Results are in from the first leg of the St. Peters Invitational Tourney held March 11th. Winners were: St. Peters over Spring Grove 51-31; Antioch Upper Grade School dumped Santa Maria of Mundelein 78-38, Salem beat Holy Rosary 84-38, Woodland Junior High triumphed 63-35 over St. Joseph of Round Lake and St. Joseph of Wheeling won 57-37 over Lance Junior High of Kenosha.

Finals will be held Friday at 7 P.M. Saturday features a 5:45 consolation game with the championship tilt scheduled for 7 P.M.

Pictured above are members of the Emmons eighth grade basketball squad. They are "l to r" first row: Ken Cash, Jeff Eder, Dave Lagerstrom, Tom Grego and John Christiansen. Back row: Mr. Mitchell, Jon Bodin, Dennis Varney, Doug Wyatt, Scott Maras, Bob Dubek and Paul Petty.

Flanking Coach Mike Mitchell are the members of the Emmons "B" team. They are "l to r" front row: Scott Gallagher, Jerry Schmidt, John Eder, Bill Dubek and Tracy Sodman. Back row: Mike Volling, Terry O'Brien, John Kakacek, Dave Sheedlo, Greg Bodin and Chris Hall.

Cheryl Arndt Breaks Tradition

Some will call it "Women's Liberation", others might think it a passing fancy, but for 21 year old Cheryl Arndt of Oak Creek Wisconsin her entry into the late model stock car competition at the Waukegan Speedway comes after three years of dreams and hard work and lots of fun in the hobby stock car class.

And on April 8 and 9 the long standing tradition of "Men Only" in Waukegan's late model division will be past history. Those dates are the openers for the Waukegan track and Cheryl promises to be racing both Saturday night and Sunday afternoon and expects to race the entire 1972 weekend schedule at Waukegan.

Will she be a hazard on the track... in the way? Only time can answer that question, but chances are she'll do well. First she bought Jim Gossman's second place 1967 Chevelle from him last year. Second she was voted the "Most Improved Driver" last year as she finished second in the hobby class points. And finally she has shown nerves of steel after a couple of sensational spills in the hobby class last year.

Her calculating mind is another asset too. For example, when Gossman's car came up for sale last June, Cheryl rounded up the money and bought it on June 26, however she decided to

continue her hobby driving and let Gossman be her driver in the late model class for the remainder of the year.

She reasoned that she was riding fairly high in the hobby point fund, but would lose her position with the mid-season switch. Also she felt she needed more experience in driving, seeing as how she hadn't won a race yet.

The next weekend she broke into the winner's circle (July 3) and then after cracking the ice, she proceeded to win six more races that month. And in a period of four hobby feature events, she beat the men three times.

Cheryl doesn't figure she has a chance at the top spot in the late model division, but she does hope to finish in the top ten this season. Even that's a pretty ambitious goal... but last year she made every race except one in Waukegan's hectic schedule.

The one she missed last year was opening night, but that shouldn't happen this year if things go according to plan. "When Waukegan set their opening dates of April 8th and 9th we set April 1st as our deadline for finishing up the car," Cheryl said. "We'll keep busy on our back-up car, a 1966 Chevelle, once this one is ready."

Her car will be painted a metallic blue and carry No. 54 on the doors, the same number she raced under last season in the hobby stocks. Cheryl's younger brother Gregg Pasky is the crew chief and others in the pit crew include Joe Terhardt, Paul Phillips and Dave Hintze. All live in Oak Creek.

Besides the Saturday and Sunday races at Waukegan, Cheryl also hopes to compete

on some Wednesday nights at Cedarburg (Wisconsin)

Raceway and at the new Grundy County Speedway in Morris (Illinois) on Friday nights as time and finances permit. Cheryl is a cashier at the National Hardware in Franklin Wisconsin.

Commenting on the distance to the Waukegan track, Cheryl said, "We put brakes and a tire rack on our trailer and with the expressway now three lanes... it's not too bad. I like to race at Waukegan. I like the track (pavement) and the attitude of the officials, but most of all I like the driver's helpful attitude... that means a lot."

Johnny Schmidt Takes 1st In Freestyle

Sat. March 11th, Jeff and Johnny Schmidt competed in the 1972 YMCA Illinois District 11 Boys Swimming Championships in Kankakee, Illinois. This meet included 15 teams and was governed by NCAA rules. These boys were two of the 16 swimmers from a team of 40 that qualified to swim in this meet.

Jeff, 14, swam in the 200 yd. Individual Medley with a time of 2:58.5 and in the Junior 200 yd. Freestyle Relay which qualified for the finals with a time of 2:00.2. They received a sixth place medal with a final time of 2:01.6.

Johnny, 8, swam in the Cadet 25 yd. Freestyle in which he had been undefeated for a year with a time of 15.0 placing 1st out of 26 swimmers and qualifying for the finals, 25 yd. Butterfly in 17.3 placing 5th out of 21 and qualifying, and the 50 yd. Freestyle in 33.9 tying for third place out of 19 swimmers and qualifying. The times he swam in all three of these events qualified him to swim in the State Swimming championships to be held in Downers Grove in two weeks. In the finals he received medals in all three events placing 1st in the 25 yd. Freestyle, 4th in the 25 yd. Butterfly, and 6th in 50 yd. Freestyle. The Waukegan YMCA Swim Team for which he swims placed 7th out of 15 in the Cadet group with Johnny being their only swimmer. He totaled 36 points.

DeRousse wrestling

Looks to the Future

we'll be looking to win the Lake County title plus the District and Sections."

DeRousse will have plenty of returning lettermen to make his plans a reality. They are:

JOHN ROBERTS - 1st in conference at 98; KEITH LARSEN - 2nd in conference at 112; DENNIS DYER 2nd in conference at 119; JOHN MEYERS 3rd in conference at 126; JOHN THAIN 3rd in conference at 132; STEVE SHAFFER 2nd in conference at 138; ANDY FELDMAN 3rd in conference at 145; RANDY LIPMAN 3rd in conference at 155; and TIM STAPLES 3rd in conference at 185.

A trio of outstanding sophomores with enviable records figure highly in next years plans. Phil Edwards a 98 pound wrestler had a 20-1 record. Bill Beese was also 20-1 at 165 pounds. At 185 pounds Bill Armstrong looks like a real "comer" with a 17-2 slate.

DeRousse listed these men as figuring in his plans, although he isn't exactly certain where. They are Terry Olson, Tom Rayniak; and juniors - Dirk Dietz, Bob Sweatman, Mark Mohar, Dave Rush, Dan Stout, Mike Beasley, Glen Nixon and Larry Yopp. Because of their outstanding freshman records Dennis Thain, Joe Riedlinger and Rich Coari may break in as varsity grapplers as sophomores.

But only time will tell. However, with this much talented material to choose from the Sequoits will be a definite threat to repeat as conference champs.

BASEBALL MEETING

There will be a baseball meeting at Furlans Dug Out Inn on March 16, at 7:30 p.m. All teams planning to play this coming season please plan to attend.

The Antioch News SPORTS

Dennis Varney of Emmons and Scott Curtis of Lake Villa are all knotted up during Saturday's eighth grade wrestling tourney held at the Antioch High School. Curtis was the eventual winner of this 116 pound match.

8th grade proves wrestling a draw tourney

Wrestling is one of the most "healthy" sports currently on any Athletic Director's docket. In fact, if current trends continue it may outrank such standbys as baseball and track in the coming years.

This, however is no secret to some coaching staffs. At Antioch, for instance the staff has recently held its fourth annual Grade School Invitational Tourney.

The tournament isn't just a talent hunt. It is meant to initiate youngsters into this fast growing sport and provide a small amount of professional guidance and instruction.

This year's tourney broke all existing records for attendance: in sheer numbers and according to a few observers for its interest. In all 127 young men participated in the day-long activity.

While the grade schoolers were in the spotlight, a special note of praise is due some fine examples of manhood provided by Antioch High School. The entire tournament was run by high school students.

According to freshman coach Steve Wapon "these boys deserve lots of credit. We couldn't have held anything if they hadn't run it. But I couldn't name them all, there are just too many."

Wapon did single-out several young men for their outstanding help. Namely, officials Dane Roth, Dennis Dyer, John Cook, Steve Shaffer, John Thain and Keith Larsen.

Rick Johnson handled the announcers duties and "did just a great job" according to Wapon.

Seven schools had entrants in the tourney. High on the list of place winners was Lake Villa with 19, followed by Antioch's 12; St. Peter's 12; Emmons 5; and Grass Lake, Allendale, and Prince of Peace with one each.

St.P.: 2. Bill Harland, Ant.; 3. Nick Manusos, L.V.; 4. Brian Andrews, Ant.

94 pounds: - 1. John Davis, Ant.; 2. Bill Mehlhorn, Ant.; 3. Dave Riedlinger, L.V.; 4. Jeff Stickler, Ant.

101 pounds: - 1. Doug Wyatt, Emm.; 2. John Haley, St.P.; 3. Tom Banwart, Ant.; 4. John Neumuller, L.V.

109 pounds: - 1. Rich Coles, L.V.; 2. Jeff Selgert, L.V.; 3. Mark Ring, St.P.; 4. John Kakacek, Emm.

116 pounds: - 1. Gregg Nordstrom, Ant.; 2. Leroy Edge, All.; 3. Pat Vickers, L.V.; 4. Jim Mrnak, Emm.

122 pounds: - 1. Tom Ingoglia, L.V.; 2. Larry Reckers, Ant.; 3. Harold Sokup, P.P.; 4. Dave Waite, St.P.

129 pounds: - 1. John Bodin, Emm.; 2. Mike Walsh, Ant.; 3. Ed Halvey, L.V.; 4. Pat Morgan, St.P.

136 pounds: - 1. John Fenner, Ant.; 2. Robert Tessner, L.V.; 3. Ken Breidel, St.P.; 4. Dan Chase, L.V.

149 pounds: - 1. Mike Riedlinger, L.V.; 2. John Ludford, L.V.; 3. Chris Ament, G.L.

Place winners were:

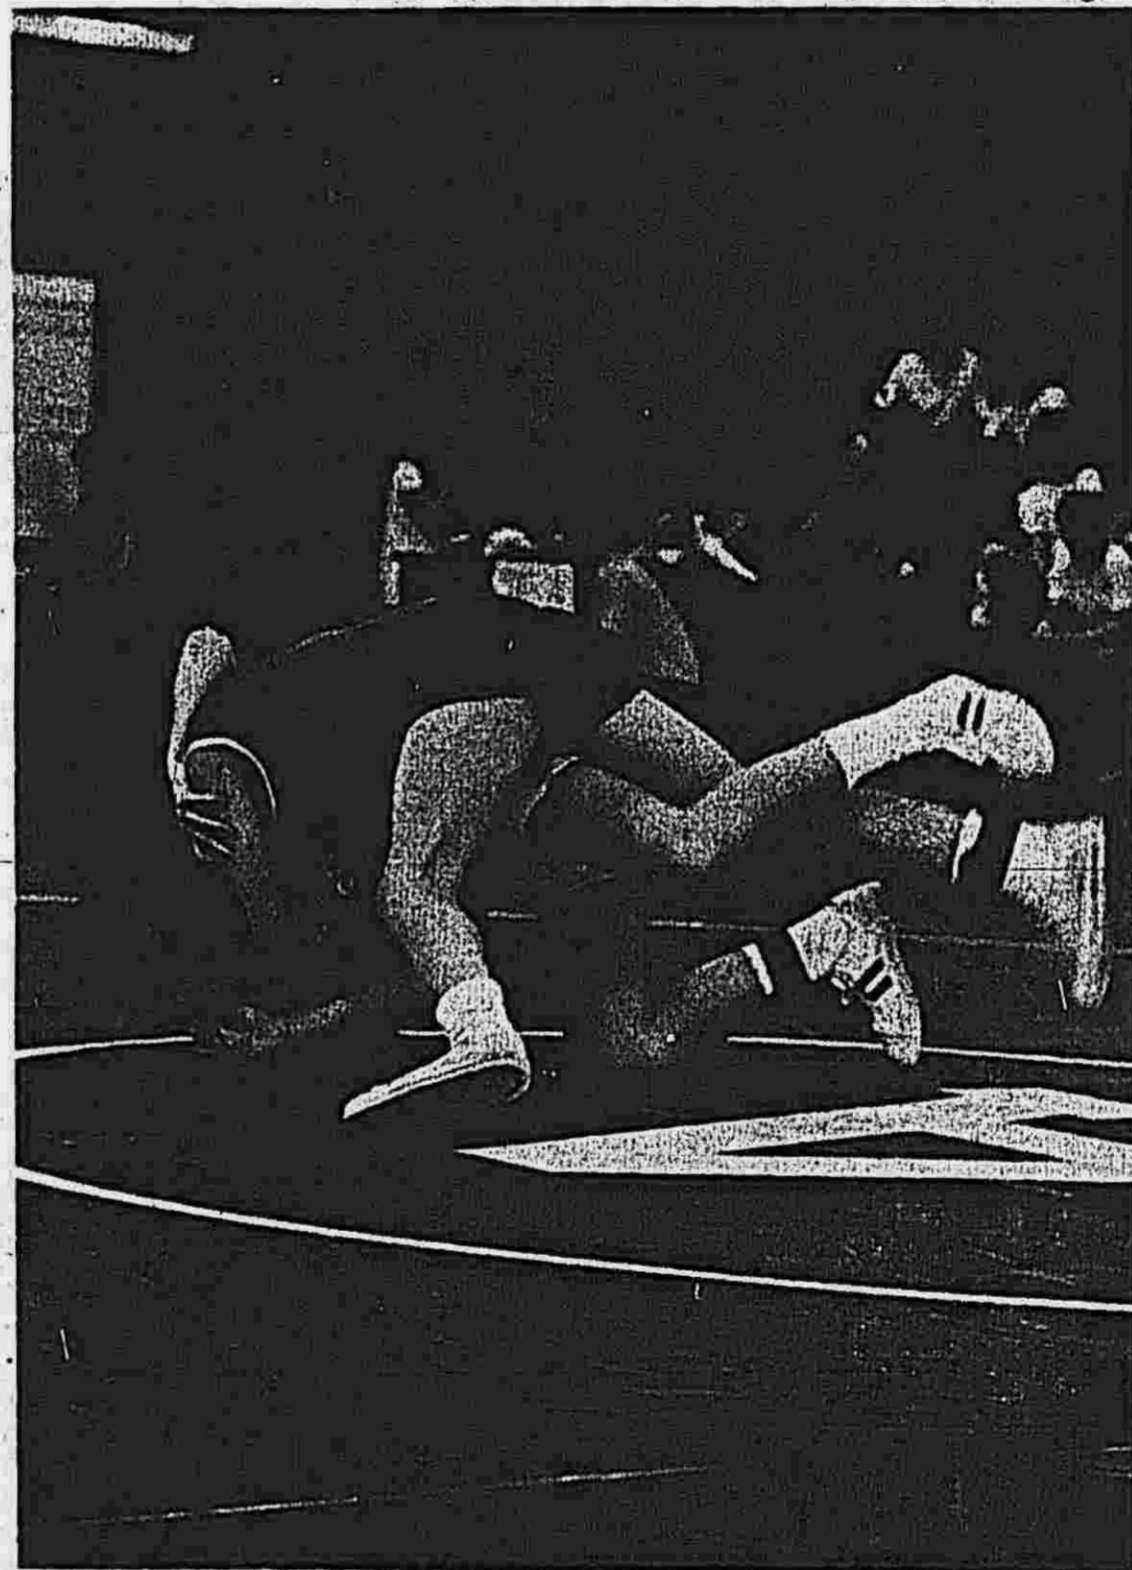

61 pounds: - 1. George Roth, St.P.; 2. Mike Joern, St.P.; 3. Bud Manusos, L.V.; 4. Jim Stanley, St.P.

69 pounds: - 1. Steve Caldwell, Ant.; 2. Rich Witton, Ant.; 3. Randy Larsen, L.V.; 4. Chris Hall, Emm.

74 pounds: - 1. Bob Grossman, St.P.; 2. Guy Warner, L.V.; 3. Jeff Simonsen, L.V.; 4. Mike Jackson, St.P.

81 pounds: - 1. Drew Deitz, L.V.; 2. Robin Aerne, L.V.; 3. Bill Ring, St.P.; 4. Tom Straka, L.V.

87 pounds: - 1. Matt Ring,

Jim Mrnak of Emmons and Larry Kuhfuss of Lake Villa tumble to the mat in action from the 122 pound bracket of eighth grade invitational. Curtis proved the winner.

Time Of Statistics

The gym is empty. No longer do the shouts of players, coaches and fans resound from the now silent walls.

The scoreboard is dark and inactive, waiting for yet another season and meanwhile indifferent to all that revolves around it.

Stands, once crowded with the life and flow of eager young fans and battle seasoned cage veterans, now lay vacant.

Team members have returned to that modest category of athlete heroes out of season.

This is now the time of

statistics. Best rebounder. Most points scored. Fewest turnovers. Longest sentence served on the bench.

Some statistics are directly applicable to the season's outcome. Some are of mild interest, while others are merely superfluous and shed light on nothing in particular, except perhaps the American mania for compiling reams of relevant and irrelevant trivia.

The following are some

statistics that because of the nature of statistics fit conveniently into any of the three categories.

The best chance anyone has of interpreting these facts is to have attended more than a few of the contests. And in this statement lays the real tragedy in an otherwise successful season: that the stands were not put to the supreme test -- standing room only.

INDIVIDUAL AND SQUAD ACCUMULATIVE RECORD

Name	F.G.			F.T.			p.f.
	att.	ma	pct	ma	mi	pct	
Michalak	287	138	48	108	84	57	43
Mieure	403	168	42	153	45	76.8	3.3
Williams	194	106	54	90	58	65	101
Andrews	222	86	40	50	25	66.7	68
Popp	126	42	33	48	33	60	54
Tell	56	24	43	36	25	60	36
Amundsen	10	2	20	3	8	27	13
Koppa	26	13	50	1	6	14	6
Toman	5	3	60	5	4	54	4
Maras	4	2	50	1	3	25	0
Schroeder	0	0	0	4	2	67	0
Sillanoff	1	1	100	1	2	33	0
Vazquez	0	0	0	2	1	67	1
Polson	3	0	0	1	2	33	3

However, before I relent and give you leave to turn the pages, I have some statistics of my own to inflict upon you.

The longest winning streak for the Sequoits was six games, all accomplished over the weekends. Their longest dip was two games, repeated three times during the season.

The Sequoits were 2 - 0 in overtime, defeating Elgin Larkin early in the season to wrap up the Barrington Tourney and later out-lasting Grant to take the first regional encounter.

The home court advantage was only a slight boon to the Sequoits as they stood 6 - 3.

End of the season team honors went to Tim Mieure, Pat Michalak and Jeff Williams. Respectively they were named Most Valuable Player, Team Captain and Most Improved Player.

The same three figured heavily in individual honors.

Mieure rated a unanimous selection to the All Conference Team, selection as an All County Player, Special Mention as All Area and

Honorable mention as All State.

Michalak was also an All Conference selection and Honorable Mention for All Area.

Jeff Williams was honored with an Honorable Mention for All Area.

Fourth Straight Title

The Falcons rode high over the Mustangs for their fourth straight Westosha Basketball crown. With both sporting 9-0 conference records hopes were high on both sides. The showdown came on Feb. 23, 1972 in the Falcon's den. With the lead see-sawing back and forth during the early segment, the Falcons took a slight lead at half-time 25-18.

As the third quarter came to a close, it saw the lead whittled down to 32-30. When the final period opened the Falcons took charge pulling away to a 44-34 win, and their fourth straight Westosha Basketball Championship.

Coach Jensen thought the Falcons unselfish team play all season was the greatest factor in their winning the championship. Everybody

contributed to the team's success.

Buthe singled out Dale LaMeer who scored 21 points in the championship game for this outstanding play all season. Also singled out was Ken Keisler who was instrumental in the championship drive for his balanced scoring and rebounding. The team play was engineered by Terry Murphy who was probably the team's most consistent player.

Other standouts during the Falcon's season were Todd Bichsel, John Watson, Jim Flesch, Tom Tobin, Jed Grams and Bob Jungkans. Pride in the team and hustle on defense led

to Brookwood's defeat and the Westosha title.
